- Mains
  - Essay (250 marks)
  - English (300 marks)

# Introduce your partners

# How to make Stress Your Friend

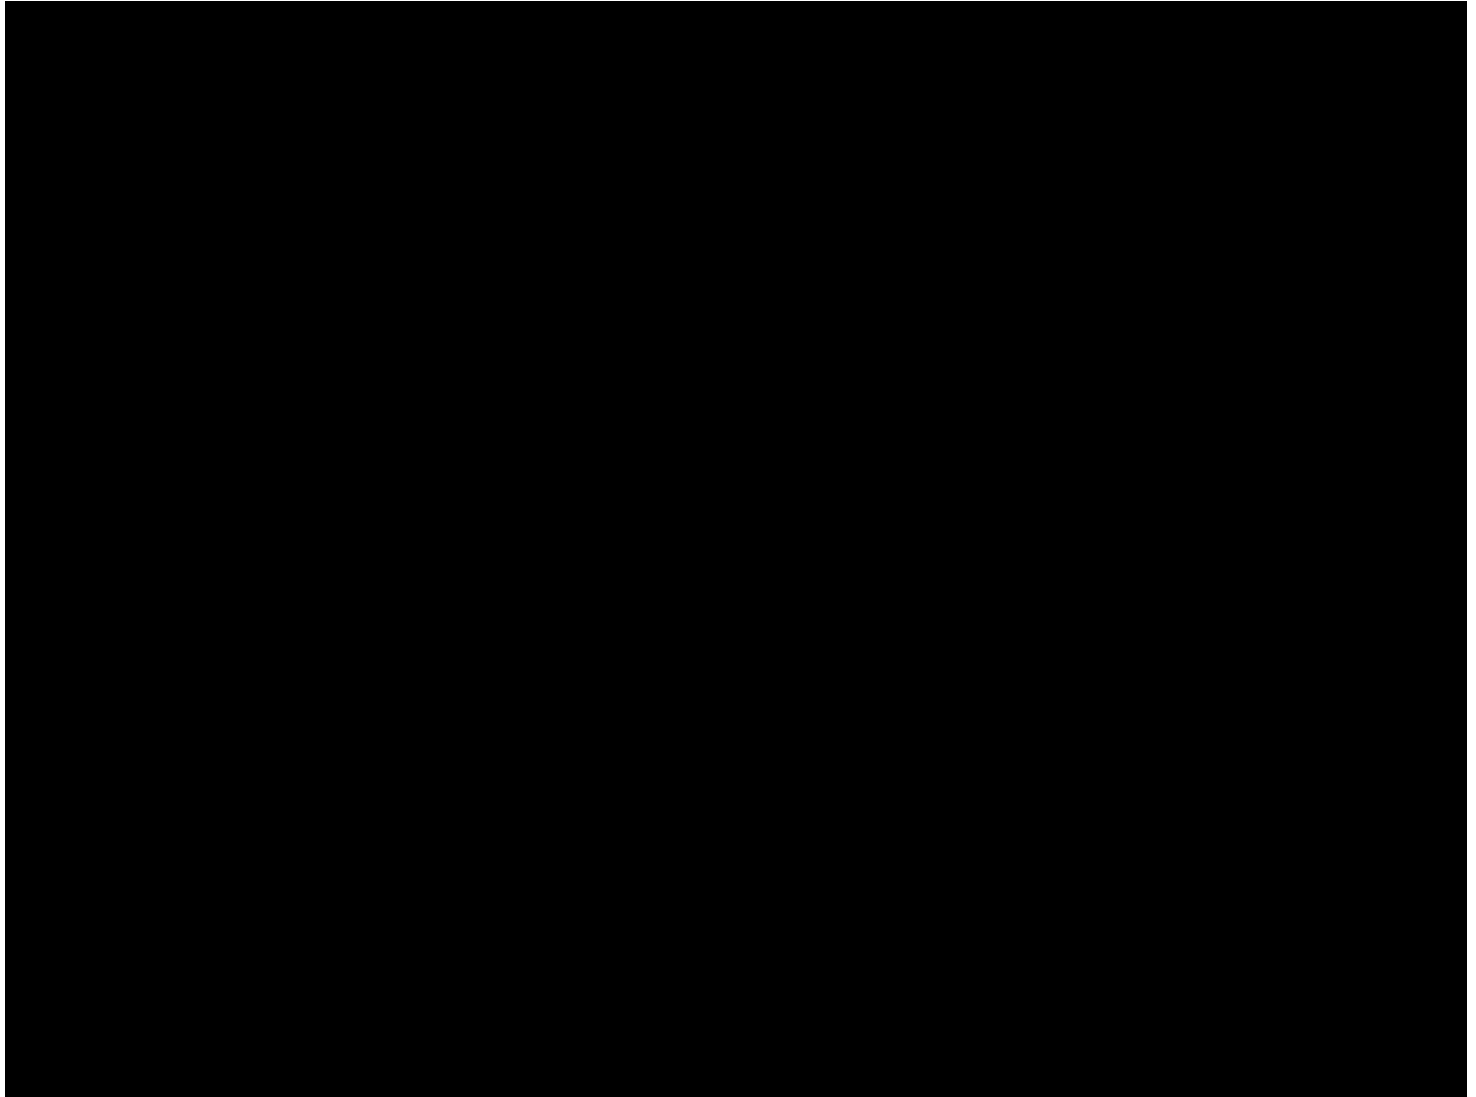

# Now fill in the blanks

- The speaker is a ----- psychologist. Her mission is to make people ----- and ----- . What she has been teaching for the past ----- years is doing more ----- than good. It has to do with ----- . A study of ----- adults in the US for ----- years suggests negative attitude towards ----- kills more than stress itself.

# Now fill in the blanks

- The speaker is a health psychologist. Her mission is to make people happier and healthier. What she has been teaching for the past ten years is doing more harm than good. It has to do with stress. A study of 30,000 adults in the US for eight years suggests negative attitude towards stress kills more than stress itself.

# News

# Let's make groups

- Prepare a two minute News presentation

# Inside- Outside Circle

# Inside- Outside Circle

- What were the three most exciting events in your life?

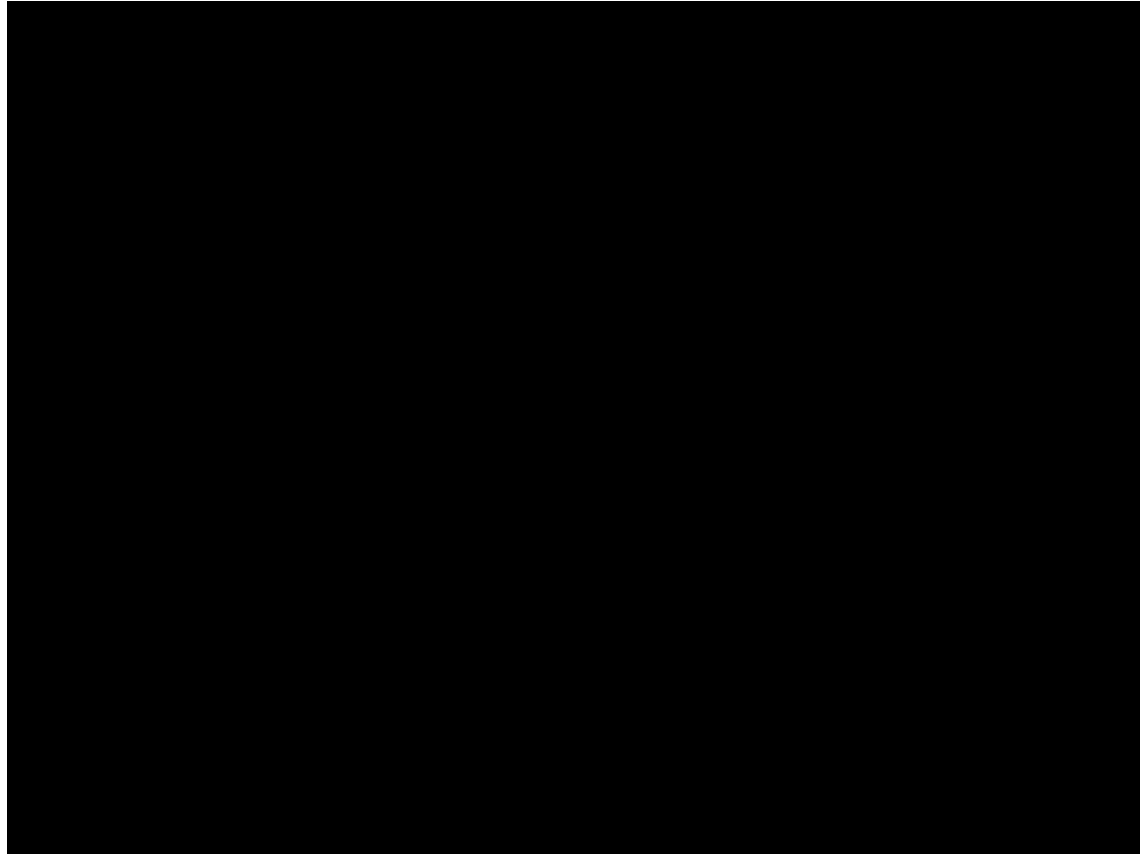

# Debate

# Debate

- Which is more important –
  - Development or Environment?
