ORDER

Consequent on de-linking of Pre-Degree from colleges during 1997, a large number of teaching staff in the Arts and Science Colleges were rendered surplus due to reduction in workload. Those teachers who were not qualified to teach Under Graduate and Post Graduate Courses were deployed to Government Higher Secondary Schools. The others were retained in the respective Colleges and allowed to continue in supernumerary posts and were termed as 'excess' teachers. They were paid pay and allowances by the Government. Apart from these and other measures, Government sanctioned approximately 440 Courses on the specific condition that there will be no financial commitment to Government. This was with the intention to provide work to the excess teachers. Accordingly, the workload of these Courses was not allowed to be reckoned for creation of new posts/vacancies. Moreover, fresh appointments in Private colleges were banned.

2. Students were being admitted to these conditional Courses and teachers were engaged by the managements themselves to conduct these Courses. The services of excess teachers were also utilized. With more and more teachers offering part service, it became impossible to run these Courses as well as the regular Courses. Quality of education could not be achieved at the desired level as most of the posts remained vacant.

were not allowed to be filled up. Later, as per G.O read as sixth paper above Government accorded sanction to fill up those posts with had sufficient workload after excluding the workload in respect of the conditional Courses granted during 1998-2001.

3. The Kerala State Higher Education Council has advised the Government that the workload of the conditionally sanctioned Courses also should be taken into account in computing the Staff Strength for appointment in Aided/Government Colleges in view of the introduction of Choice-based Credit And Semester System in Arts and Science Colleges. The Private College managements have been repeatedly requesting Government to treat conditionally sanctioned Courses as aided Courses and to create posts and grant permission to fill up the teaching posts taking into account the workload of conditionally sanctioned Courses.

4. The question of creation posts and filling up of vacancies for the Courses sanctioned during 1998 -2001 has been considered by Government in the light of the advice of the Kerala State Higher Education Council. The Director of Collegiate Education was instructed to make a comprehensive study of the matter. Accordingly, the Director of Collegiate Education in the letter read as eighth paper above has forwarded a comprehensive proposal for the creation of posts reckoning the workload of conditionally sanctioned Courses and for filling up the posts after adjusting the excess teachers working in the Colleges. The number of faculty needed to run the conditionally sanctioned Courses has been assessed in terms of the UGC and Government norms adopted for the calculation of Staff Strength. On these basis it has been found that Private Colleges are eligible for making appointment to a total number of 1599 posts of Lecturers in different subjects. It is also seen that there are 587 excess teachers in various Private Colleges in various conditionally sanctioned Courses. Government have subsequently repatriated nearly 134 Junior Lecturers to their respective Colleges for being absorbed into the vacancies that may arise in the respective Colleges later, subject to the condition that they were qualified for appointment, and if not qualified they should acquire the same within the period specified by the Government.

5. In these circumstances, Government are pleased to create 1599 posts of lecturers in Private Aided Arts & Science Colleges as detailed in the annexure appended to this G.O (Column No.8). The Educational Agencies are also permitted to fill up 1012 posts as shown in column No.10 of the annexure subject to the following conditions.

- a) Before filling up of the posts as shown in the annexure the excess teachers and repatriated teachers shall be accommodated in the respective subjects in the respective institutions.
- b) It is also noticed that during the pendency of the issue with the Government, appointments were made by some managements in the conditionally sanctioned Courses and same were approved by the Universities. These appointments are concerned to be ratified by Government with effect from the date of this order. They will be eligible for receiving salary from the Government exchequer only from the date of this order, subject to the condition that they are otherwise eligible to be appointed as per rules as and were duly appointed on the date of this order.
- c) The Deputy Directors shall personally ensure that the posts thus created are having adequate workload as per the norms fixed by the Government which shall be their liability too.
