ZOOCARPEDIEUM

A novel programme named Zoocarpediem was introduced by the department this year by initiating a series of talk show on different areas in which the students get an opportunity to meet people from various walks of life including our own well placed alumni of the department, academicians, scientists etc. The programme was inaugurated by Principal on 8th December 2018 . The sessions are handled by Mr.P A Ahamed Basheer (Associate Professor, CPA College), Mr.Sandeep (Microbiologist, UAE) and Dr.Sujatha (Scientist, KFRI). The students freely interacted with them and share their ideas, get answer to their queries and will get motivated. 40 students participated in the programme.
