Fundraising for the Treatment of Cancer Patient

The NSS units of the college collected funds from the college for the treatment of a four year old cancer patient. An amount of one lakh rupees was collected from the teachers, non teaching staff and students. The collected amount was handed over to the parents of the patient on 2nd July 2015 on a function arranged in the college auditorium. Principal Lt (Dr) Mohammedali P handed over the funds collected to the patient. 100 students of the college participated in the collection process.

Anti Ragging Campaign

The NCC units of the college conducted Anti Ragging Campaign in collaboration with Legal Service Authority, Tirur on October 10, 2015. The programme was conducted in the college auditorium. The NSS programme co-ordinator Mr. Nisab T had welcomed the programme. Mr. K.G.Suresh, circle inspector of police, Valanchery, inaugurated the programme presided by the principal Lt (Dr) Mohamedali. Advocate Vinod and Mr.P M Sameer , Sub inspector of police, Valanchery police station took the class for the students. The class was very effective because it gave a very fruitful message to our students regarding the aftereffects of ragging. The Segeant Major of the Troop (SGT) Sreekala provided the vote of thanks to the function.

'CHEMBUDS- 2015'

A one day workshop under 'Chembuds- 2015' for higher secondary students of nearby schools was organized by the Department of Chemistry on 4th August 2015. Chembuds aims at creating awareness regarding the scope, opportunities and importance of science for the prosperity and wellbeing of mankind and to develop interest in science among young generation. As in the previous years, this year also we invited novel research project from the higher secondary students and to present it on the day of workshop.

Programme started with the registration at 9.30am. 66 students from different schools and four teachers registered. A formal inaugural function was organized in which Prof. P. A. Razyabi, head of the department welcomed the gathering and gave an introduction about the programme. The function was presided over by Lt (Dr.) P. Mohammedali, Principal. The workshop was inaugurated by Prof. Gangadharan, former professor, Department of Chemistry, Govt. College, Madappally

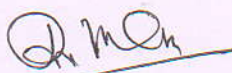

After the inaugural function, Prof. Gangadharan delivered a talk on "the learning of chemistry". He explained simply how to make chemistry an interesting one. He motivated the students for choosing chemistry for their higher education. Afternoon session started at 1.30 pm with the project presentation by the participants. Two research projects were presented in the advance area of renewable energy source and application of nuclear energy in everyday life, nuclear energy, etc. After the project evaluation, Mr. Midhun C. P G student, Dept. of Physics, Calicut University presented a lecture on "Scientific observation & nature". He explained the applications of various physics laws in daily life.

In the valedictory session, awards were distributed for the 1st and 2nd prize winners in the project presentation. Students from PKMHSS, Edarikkode won the first prize and the second prize was won by a team of two students from CBHSS, Vallikkunnu. Certificates for the participants were also distributed in this session. In this session the students present their opinion about the programme. From their feedback we

learned that the workshop was educative and would be motivate and inspired them to pursue a carrier in basic sciences.
