SOCIO-ECONOMIC-HEALTH SURVEY

Development of nation will incomplete without the development of villages. We, the entire NSS unit decided to adopt a village. As first step of adoption we select 6th ward Mayiladi of Valanchery Municipality. Villagers are not much educated. In order to study the village in depth the unit conducted a complete socio-economic-health survey. Municipal chairperson Smt. Shahina teacher inaugurated the survey. The volunteers divided into 25 groups and visited each and every corner of the village. Then analyzed the data and prepare the survey report that gave a complete picture of the village. The whole unit was actively participated and cooperated. After the survey we prepared an action plan regarding the activities will have to conduct in the village. The survey was conducted on 22-09-2016 with 100 volunteers.

CONSTRUCTION AND RENOVATION OF ROAD

The work site was near to the camp but a ridge. Our duty was to convert a 2 kilometer narrow path to a wide road. Both sides of the path were bounded by rocks and hard soil. So in the beginning we feel that it was very difficult to level it. But the hard rocks were failed in front of our tools due to dedication and commitment of volunteers. After completing that major work within five days we moved to next work, ie; renovation of road of about 1km long. Camp held during 22-12-2016 to 28-12-2016 at Vendallur, Irimbiliyam Grama Panchayath

Report of Awareness class held as part of World Environment Day on 5/06/2017

Trees and even a small grass are the life donors of each and every organisms in our earth. For a sustainable civilization it is paramount to protect trees which donate life-breath and other basic needs. We observe the World Environment Day by planting saplings and by supplying saplings to students and faculty members.
