Head of the Department of Chemistry
Assabah Arts and Science College
Valayamkulam

To

Dr.C.Rajesh
Assistant Professor in Chemistry
MES College, Valanchery

Sir,

Our Institution is situated in Malappuram district and affiliated to University of Calicut. It offers 12 UG and 4 PG programmes. Nearly 1500 students are seeking their education in various disciplines here. M.Sc. Chemistry and B.Sc. Chemistry are attached to our Department.

As you know, PG students have to do a Project work on any area of chemistry viz: Inorganic, Organic, Physical, Analytical etc. in a reputed industry/analytical lab/ research organisation etc. and at the end of their 4th semester, they have to submit a Project Report on the basis of their work done there for their University examination during July 2017. The Project work shall be done during April-May 2017.

Meanwhile Dr.Sunil Jose of St.Thomas College,Thrissur had given consent to guide Project work of one of our students Shafeena.VK under his guidance and he had directed her to your Department to use the facilities there and so I humbly request you to accommodate her there. I think that you will consider this request most favourably.

Thanking you.

Yours faithfully,

Valayamkulam
