

Tirurangadi,

9.6.2017

From  
Dr. Prajitha Kumari,  
Assistant Professor,  
Department of Chemistry, P.S.M.O. College,  
Tirurangadi.

To  
The Head of the Department,  
Department of Chemistry,  
MES Keveeyam College, Valanchery, Kerala.

Dear Sir,

As part of the M.Sc project, one of my student would like to take FTIR spectra of her samples. I request you to kindly permit her to use the facility at the Department of Chemistry, MES Keveeyam College, Valanchery. It would be of great help if you permit her for the same.

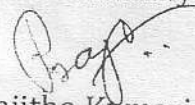

Name of the student	Class
1. Shahnath.C.K	IV sem M.Sc(chemistry)

The details of the samples are as follows

- 1) Limonene
- 2) A compound of limonene and sulphur

Thanking You

Yours Faithfully

  
Dr. Prajitha Kumari
