Sub: Permission for doing project .

Dear Sir,

The Dept. of chemistry of Little Flower college wishes to associate a PG project in your esteemed organization. We request your kind permission and co-operation for allowing Ms. Sajna T.K of fourth semester M.Sc. Chemistry student of this college to do her PG project during April – May 2018. I here by declare that the student will not use any chemicals from your Laboratory and ready to pay the amount for their cost of work. We will be grateful to you if you allow the same.

Thanking You
Yours Truly

HOD,
