

MES Keveeyam College Valanchery

CAREER GUIDANCE AND COUNSELLING 2014-2015

To foster creativity and to finetune reality of experiences career is important. MES Keveeyam College Valanchery plays prime role in providing career guidance and counselling to students of all departments. The goal of **career counseling** is typically to assist individuals in developing self-understanding, articulating direction in their careers, and achieving their potential and discovering their purpose in daily activities. Students were given separate classes on their subject concerned and future opportunities by Jalil MS, Career Guru, Calicut on July 23rd to 25th 2014. Some of the recommended opportunities of physics were CAR Technologies, LLC Center for Automotive Research Cisco Systems, General Electric Aviation, Great American Financial Resources Honda Research and Development etc. All streams were given equal importance. Some of the other science streams and opportunities mentioned were Industrial Psychologist, Biochemist, Epidemiologist, Medical Scientist, Anthropologist, Archaeologist, Environmental Science and Protection. The students were very enthusiastic in about the discussion.

Career Counselling (2018-19)

Career decisions play a pivotal role in shaping the future of students. In today's environment of multiple options, knowing about choices available helps in decision-making. The session commenced with the College Principal, Captain Dr Abdul Hameed C reiterating the importance of knowing one's potential and subjects of interest before making a decision. He laid stress on the right combination of subjects as per their aptitude which should be reflected in their academic performance. He emphasized on the importance of making informed decisions. The resource person for the session was Dr. T O Poulouse (Retd Professor, Rajagiri College of Social Science) an eminent career counsellor. He is a prolific educator who has been associated with counselling and guidance for the past many years, an educational consultant who draws upon vast experience to offer comprehensive services to students and parents regarding decision making for the future. The session aimed at making the audience aware of the multiple career options available. The session concluded with interaction with students and vote of thanks by coordinator Nisab T.
