Soap Making

Another activity of our department during the month September was the making of soap using locally available coconut oil. Our students made a total of 80 soaps and sold to students and staffs of the college. The income from these sales were remitted to Pain and Palliative Care Centre. 10 students participated.

PEN & CHALK MAKING

The activities of this year started on 18 July 17 with a class on Pen & Chalk making for all chemistry students. A novel initiative from chemistry department has won the hearts of students in college. A refill covered by attractive waste paper to give it the requisite thickness has proved to be a convenient and cheaper pen for students. It can be made in no time at a cheaper cost one third of a regular pen and it is more ecofriendly. This initiative by the students of Chemistry Department has been appreciated by both students and teachers alike. Each pen was sold at Rs 5/- and a total of 1500/- has been collected and handed over to Pain and Palliative Care Unit.
