SOCIO-ECONOMIC-HEALTH SURVEY

Development of nation will incomplete without the development of villages. We, the entire NSS unit decided to adopt a village. As first step of adoption we select 6th ward Mayiladi of Valanchery Municipality. Villagers are not much educated. In order to study the village in depth the unit conducted a complete socio-economic-health survey. Municipal chairperson Smt. Shahina teacher inaugurated the survey. The volunteers divided into 25 groups and visited each and every corner of the village. Then analyzed the data and prepare the survey report that gave a complete picture of the village. The whole unit was actively participated and cooperated. After the survey we prepared an action plan regarding the activities will have to conduct in the village. The survey was conducted on 22-09-2016 with 100 volunteers.
