Gramodaya

(Model Village for Eco Friendly Social Development)

MAYILADI- 6th Division of Valanchery Municipality

Survey on Palliative Care, Waste Management and Organic Farming

Coordination

National Service Scheme, MES Keveeyam College

&

Pain and Palliative Care Society, Valanchery

Preface

MES KEVEEYAM COLLEGE, VALANCHERY started functioning as a junior college in September 1981 with the arrowed objective of providing higher education facilities to the young populations of the largely rural, socially and economically backward region comprising of Valanchery and surrounding villages. The college was upgraded as a degree college in 1991 and postgraduate courses started in 1998. The Research Centre in Chemistry started in 2014

The college has a record of consistent performance in curricular and extracurricular activities and unblemished history of trouble free campus. The college envisages becoming a leading centre of higher learning nurturing all-round academic excellence along with core human values: a vibrant institution which enlightens the youth just as it enriches and empowers them and remains a resource centre for the society. In order to translate this vision into action liberal education is provided to all categories of students to shape a generation of competence and social commitment.

Sustainable development of villages with an environmental friendly perspective is the need of the age. The college is taking an initiative towards this end. We are adopting the Mayiladi Village (6th Division of Valanchery Municipality) and implementing a project for eco friendly social development. We plan to executive various schemes in this village with special emphasis on waste management, organic farming and palliative care. The execution of the project will be done by the National Service Scheme of the collage with the collaboration of Pain and Palliative Care Society, Valanchery.

As the primary step of the project a survey was organized to collect basic information related to waste management, organic farming and palliative care. The survey process was inaugurated by Ms. K T Shahina (Chair Person, Valanchery Municipality). The findings of the survey along with some suggestions are presented here.

We are thankful to Pain and Palliative Care Society, Valanchery for their whole hearted cooperation for conducting the survey. We are also thankful to the people of Mayiladi village who responded positively in the survey.

Dr. P Mohamedali (Principal)

Dr.C. Rajesh (IQAC Coordinator)

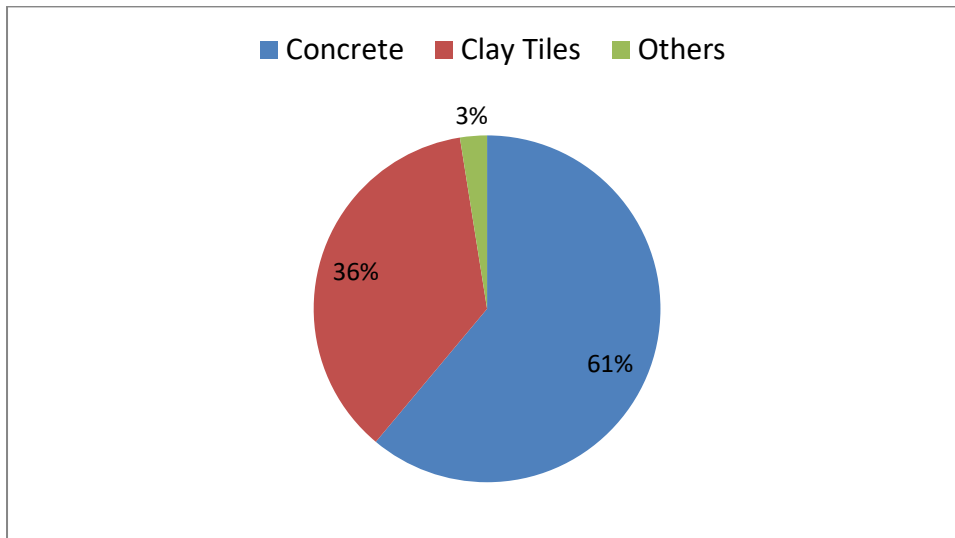

Prof. T Nisab & Prof. Minshiya P (NSS Programme Officers)

Survey- Executive Summary

Aim	Basic Data Collection on Waste management, Organic farming and Palliative care.
Target group	Mayiladi, 6 th Division, Valanchery Municipality
Nature of survey	Primary (Basic data collection)
No. of Houses surveyed	238
Implementing agency	National Service Scheme, MES Keveeyam College Valanchery, Pain and Palliative Care, Valanchery
Total No. of Enumerators	85 (23 squads)
Date of survey	14-09-2016

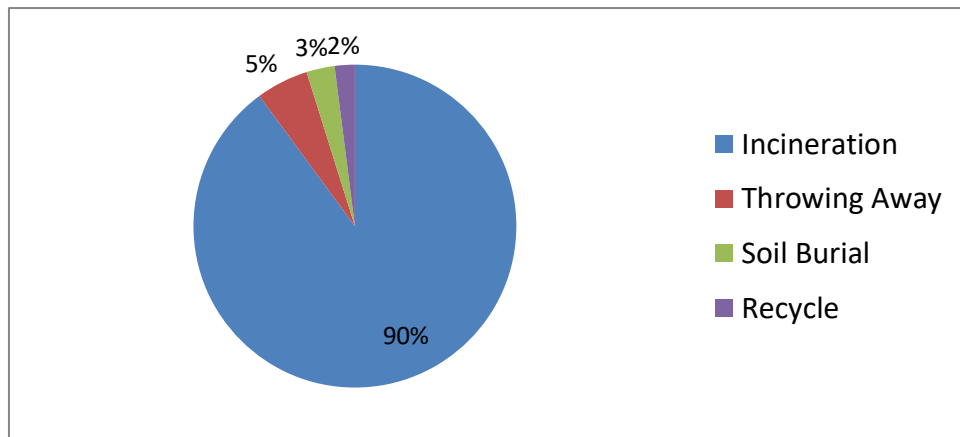

Survey Analysis

1. Nature of House

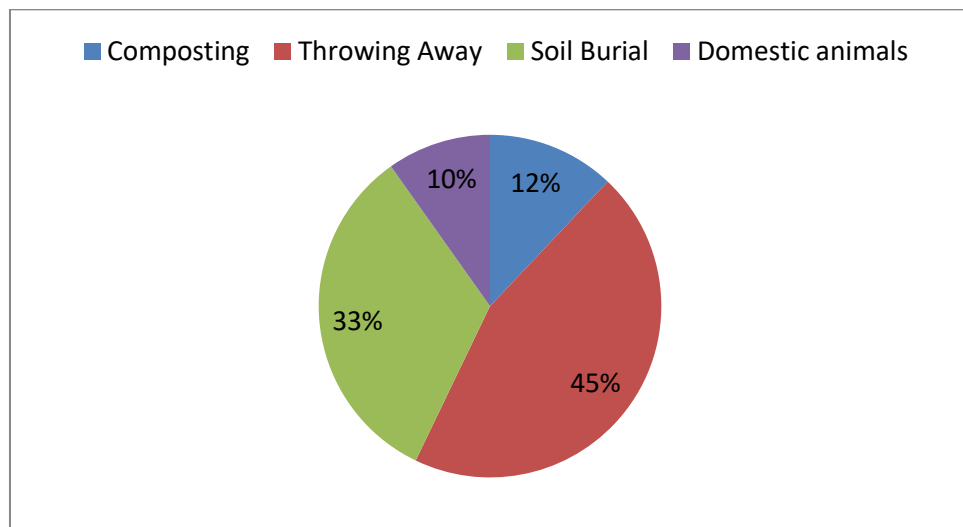

2. How different types of wastes are handled?

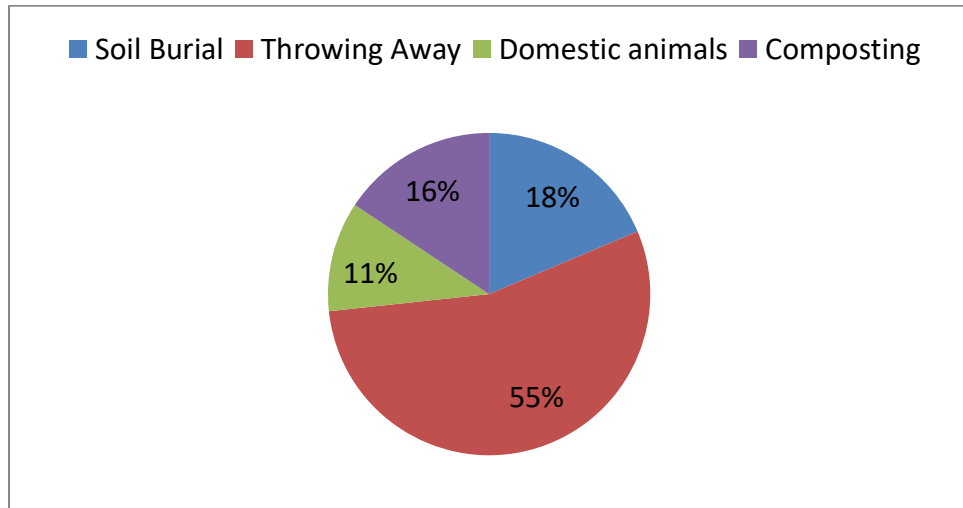

A. Plastic Waste

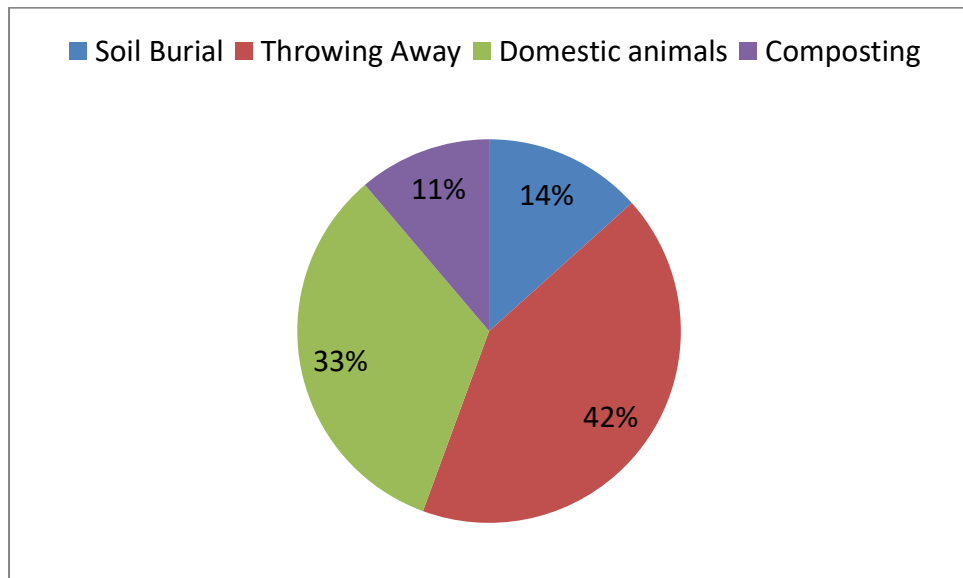

B. Fish and Meat waste

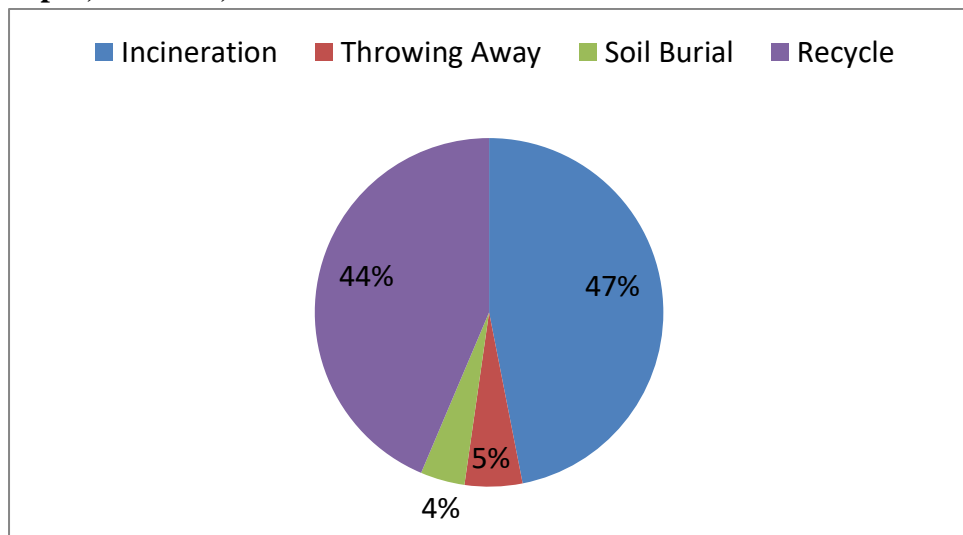

C. Vegetable waste

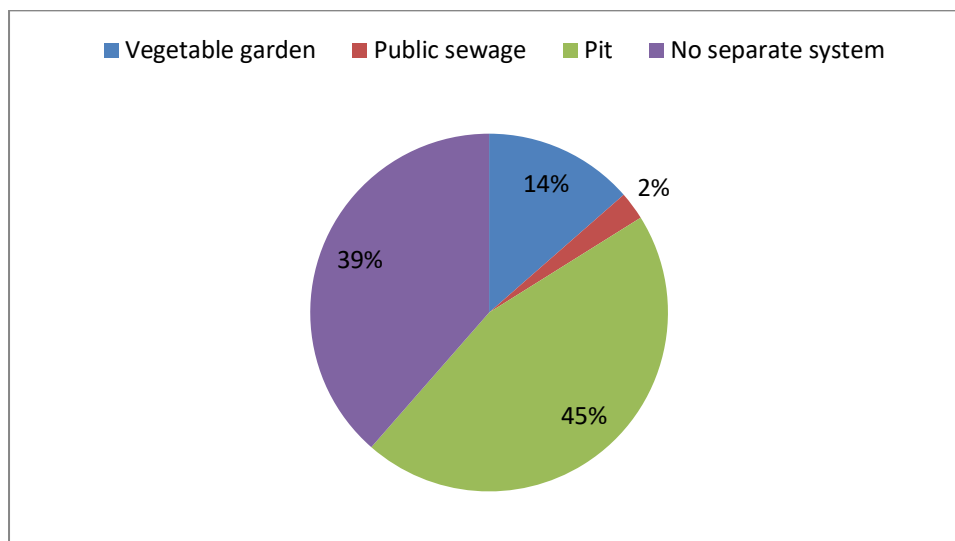

D. Food Waste

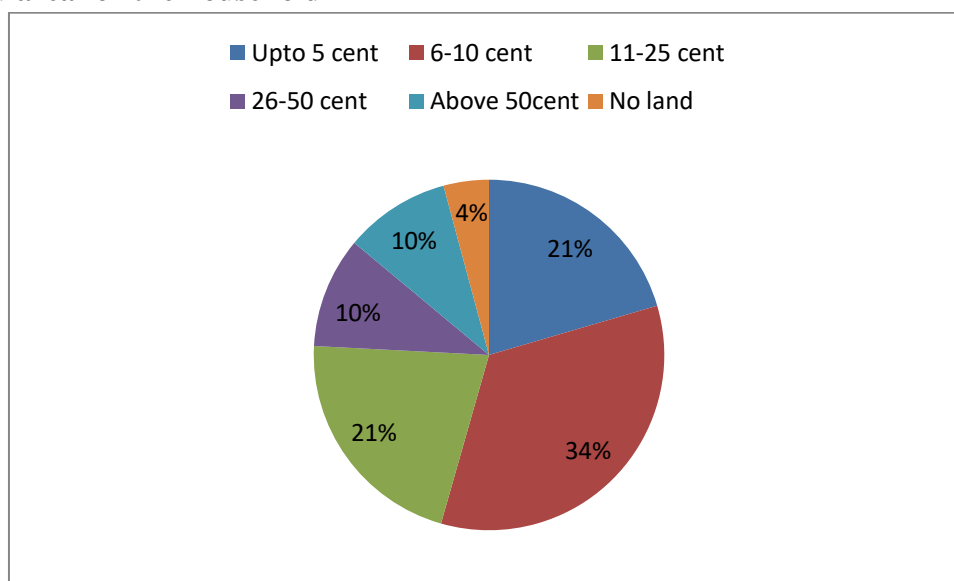

E. Paper, E-Waste, etc.

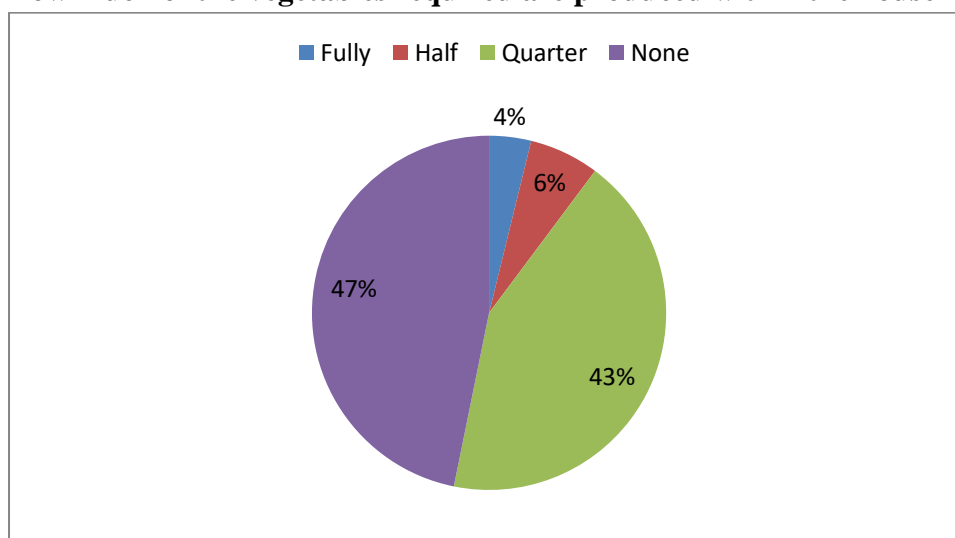

F. Waste water from kitchen and bathrooms

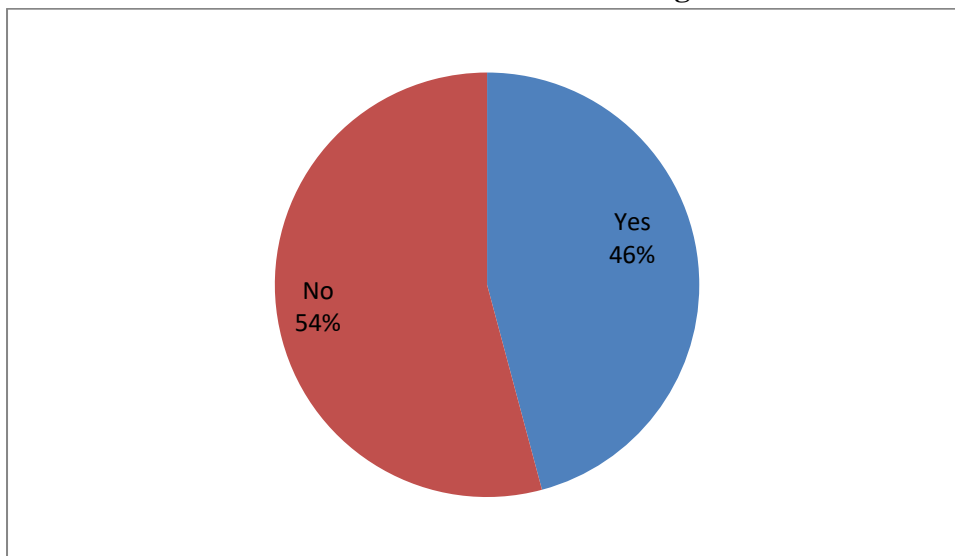

3. Land area for the household

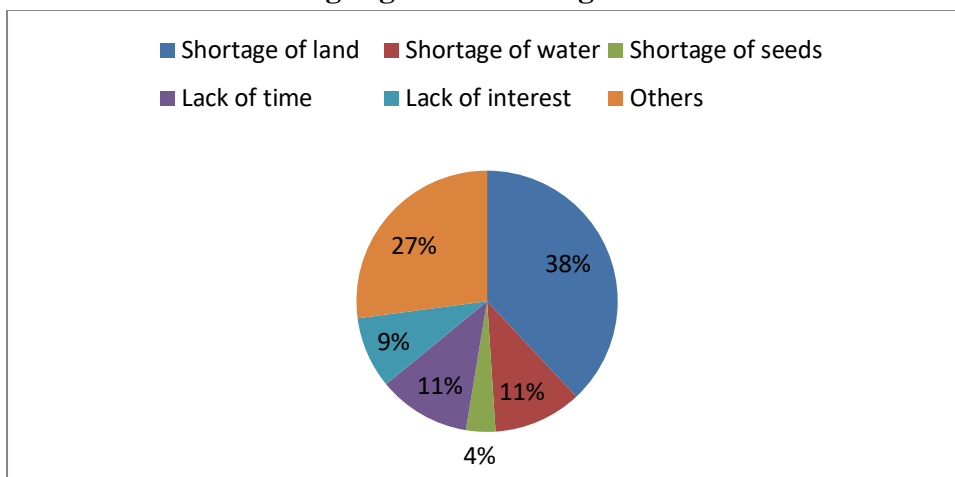

4. How much of the vegetables required are produced within the household?

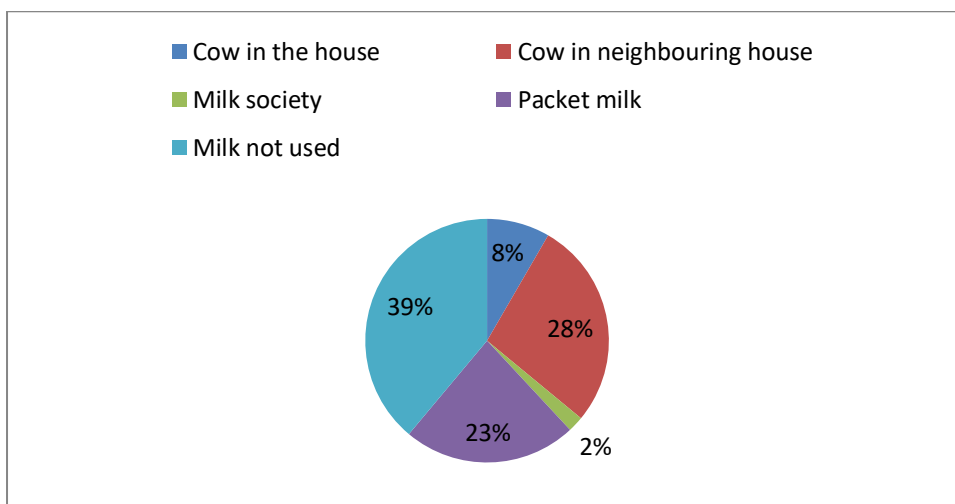

5. Whether chemical insecticides are used in farming?

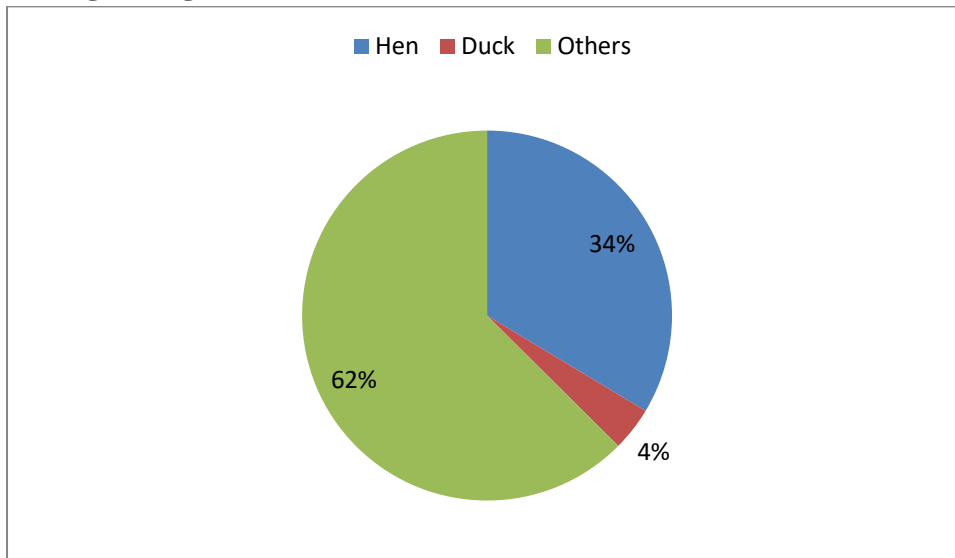

6. The reason for not doing vegetable farming?

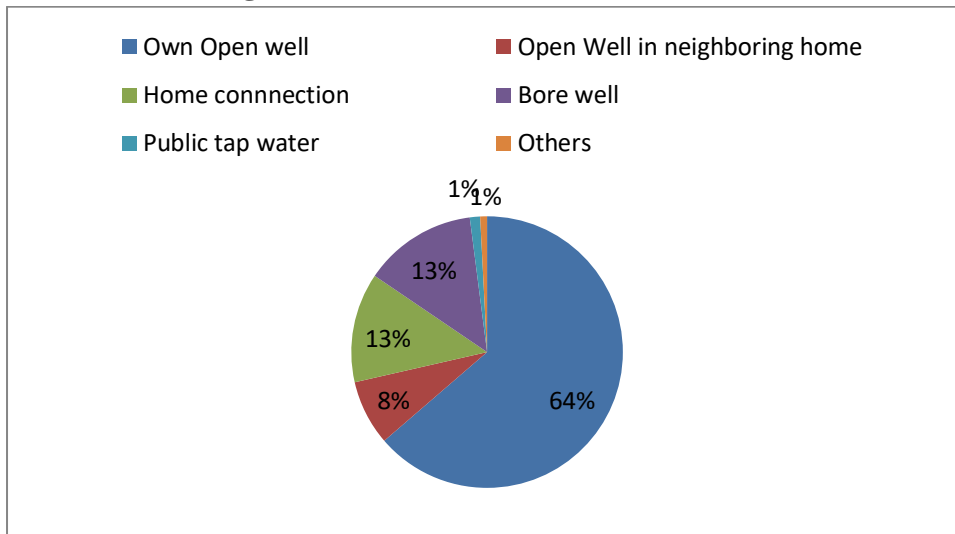

7. Source of milk

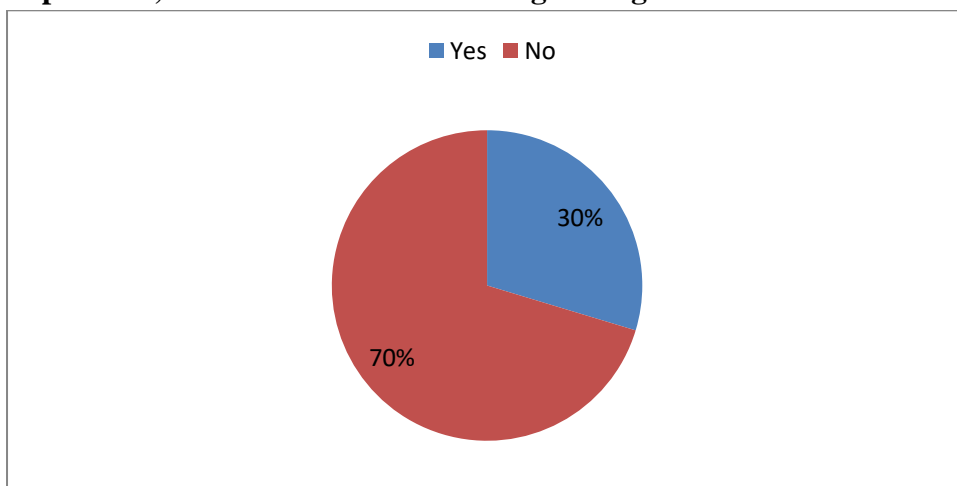

8. Birds growing in household

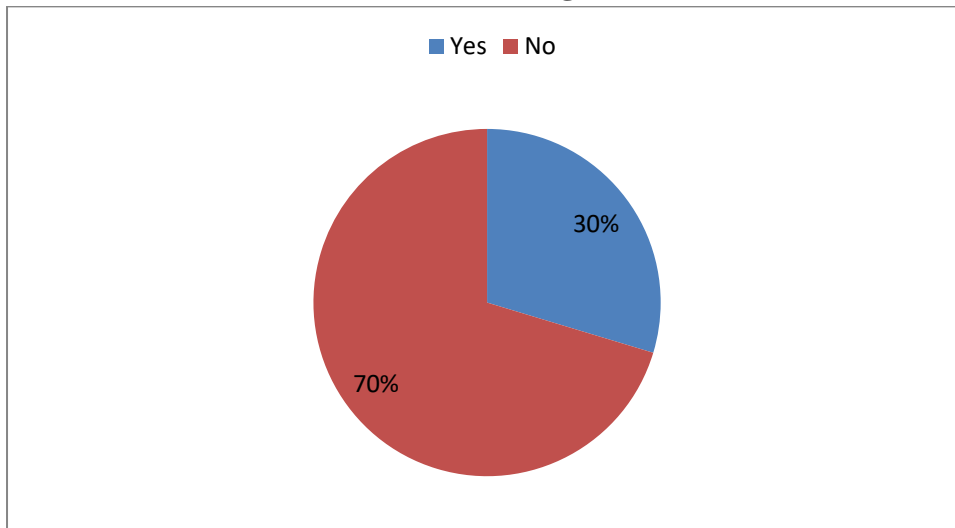

9. Source of drinking water

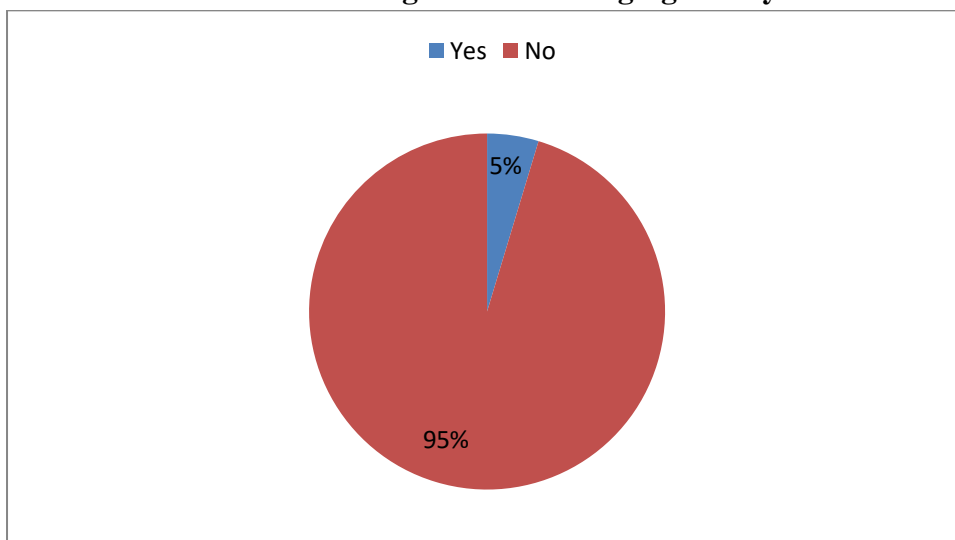

10. If open well, whether there is exhausting during summer?

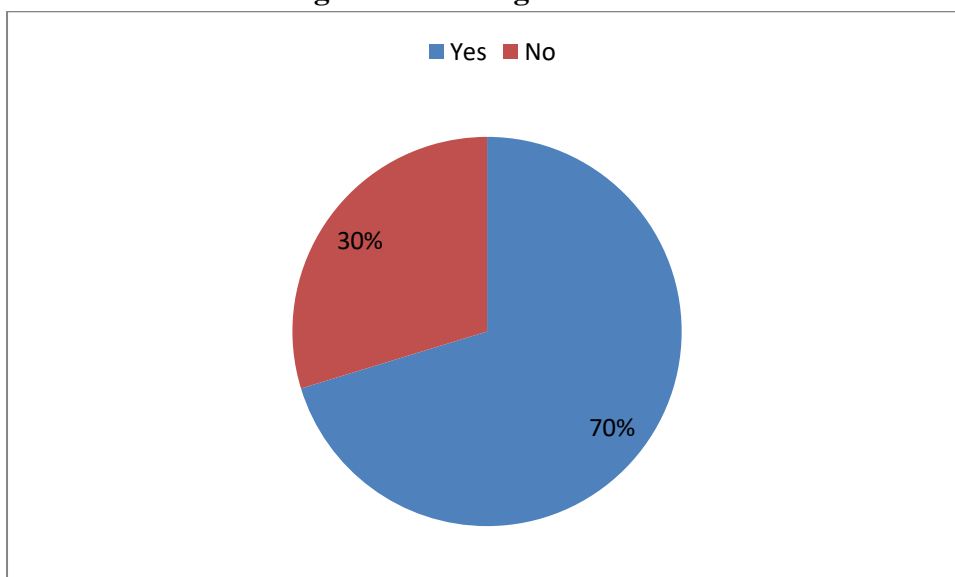

11. Whether boiled water is used for drinking?

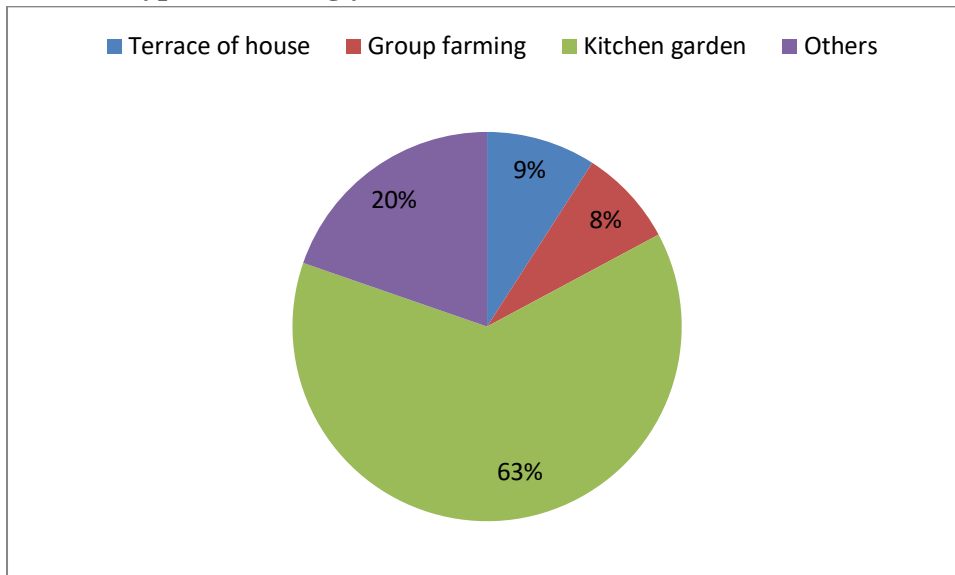

12. Whether rainwater harvesting or well recharging facility available?

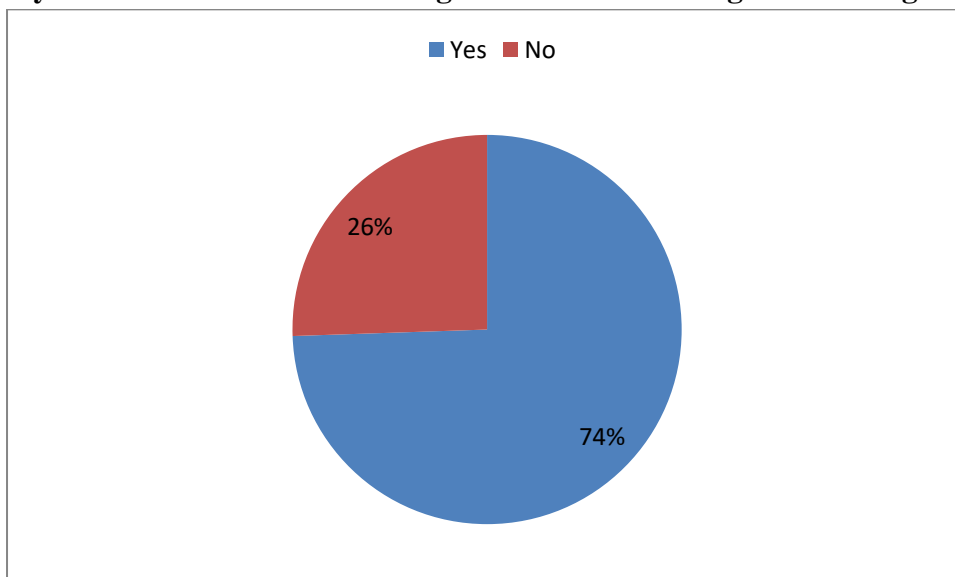

13. If interested to start vegetable farming?

14. In which type of farming you are interested?

15. If you are interested in attending classes related to organic farming?

Suggestions

1. Awareness classes are to be organized for the people of the village about the health and environmental problems created by incineration and burial of plastic.
2. Proper strategy for the sorting, collection and recycling of plastic should be worked out. Awareness class should be given to home makers about sorting. Participation of Kudumbasree units has to be invited in the collection. Agreement should be signed with befitting agencies for the recycling of plastics.
3. Pipe compostes have to be installed in each house hold for the processing of fish, meat, vegetable and other wastes. The manure obtained can be used in organic farming. The financial burden may be met by submitting project proposal to Suchithwa Mission or by participation of sponsors.
4. As a first step, bio gas plants are to be installed in the 20 houses which have cows. At a later stage bio gas plants are to be installed in all houses.
5. Classes on organic farming are to be organized.
6. Seeds and saplings are to be distributed with the collaboration of Krishi Bhavan.
7. Group farming is to be implemented on an experimental basis and proper training should be given.
8. Well recharging should be implemented in those 54 houses where water exhausts in summer. This can be done with the collaboration of 'Mazhapolima'.

AROGYA 2018

Ensuring the responsibility to mankind and society, we Zoology department of MES Keveeyam college organized **AROGYA 2018** – a free medical camp for the people at Mayiladikunnu of ward 6 and 7, the village adopted by college. The camp was conducted in association with the Ottappalam Welfare Trust. The notice was prepared and was distributed in both the wards by our students on 1st and 2nd March.

The camp was conducted on March 4th Sunday from 10 AM to 1 PM at Girls Higher Secondary School Valanchery. The program was inaugurated by K.V.Unnikrishnan (municipal vice chairman), presided by Dr. Rajesh.C (IQAC coordinator of the college) and the gathering was welcomed by Mrs.Krishnaprabha.K.S (HOD of Zoology department) in the presence of Jyothi.V (counselor of ward 6) and Unnikrishnan.K.M (counselor of ward 7) followed by vote of thanks by Asst.Prof. Jishnu.K. The camp was opened to all members of the locality. Highlight of the day was that our own students were in charge of diagnosing blood pressure, blood sugar, blood group and BMI in the camp. Free eye check up in association with Ottapalam eye care hospital was also held. 160 people participated. Seven were prescribed for free cataract surgery. Travel allowances were provided for the people by the department. 18 were asked to visit the hospital at Ottapalam on 10th March for detailed check up. They prescribed 36 glasses and on 19th March these glasses were distributed from the college. The program was monitored by Asst.Prof. Rasheeda.M, Asst.Prof. Sumayya Mohammed Ali, and Usman. C.H (Lab assistant).

YOUTH AND DRUG ABUSE

On 26-6-2015, the International Day Of Drug Abuse And Illegal Trafficking, 'Swasthi Anti Narcotic Club' organized an awareness class at MES Higher secondary School Erumbiliyam on the topic "Youth and Drug Usage". In this function Minshiya P., convener of anti narcotic club, welcome the gathering. The function was presided over by Principal, Lt. (Dr.) Mohamedali P. Resource person, Fr. Wilson, consultant Psychologist, explained how the narcotic drugs and liquor affect different parts of the human body. He also explained in a simple way how the drugs spoil the life of youth and how it is harmful to society. 68 students from the college participated in the function. Ms. Nivethitha, 3rd BCA expressed vote of thanks.

SWARALAYAM (SYMPHONY OF VALUES)

DATE: 20-11-2016

A social get together was organized on 20th November 2016 at the campus for people from all sections of the society to gather around, share experiences, take part in cultural activities, exhibit their talents, and create a space for communal harmony. Hundreds of people from all sections of society including singers, poets, painters, traditional farmers, artisans, participated in the programme.

ജീവിതച്ചെപ്പ് തുറന്ന് 'മുഖ്യങ്ങളുടെ സ്പരലയം'

മുഖ്യങ്ങളുടെ ജീവിതം പറ്റി സമൂഹം അറിയാൻ കഴിയുന്ന വിധത്തിൽ ഒരു സമുദായ സമ്മേളനം സംഘടിപ്പിച്ചു. 'മുഖ്യങ്ങളുടെ സ്പരലയം' എന്ന പേരിൽ നടന്ന ഈ പരിപാടിയിൽ പങ്കെടുത്തവർക്ക് ജീവിതത്തിലെ പ്രധാനപ്പെട്ട കാര്യങ്ങൾ പറ്റി അറിയാൻ കഴിഞ്ഞു. പരിപാടിയിൽ പങ്കെടുത്തവർക്ക് ജീവിതത്തിലെ പ്രധാനപ്പെട്ട കാര്യങ്ങൾ പറ്റി അറിയാൻ കഴിഞ്ഞു.

REPORT

People with disabilities are among the most marginalized group in the society. The people with disabilities have poor health outcomes, lower educational achievements, less economic participation and higher rates of poverty than people without disabilities. Disability is now understood to be a human rights issue. People are disabled by society not just by their body. These barriers can be overcome if governments, non-governments organizations, professional and people with disabilities and their families work together.

In our college we started a project named HELEN'S HOUSE for the welfare of these kinds of students. This project is done with the help of a group of students and teachers. The inauguration had done by Sir M P Mujeeb, the coordinator of the initiative for disability program by Kerala Security Mission on 26th March 2019. The presiding speech delivered by Principal Dr. Abdul Hameed. The greetings of the program had done by Dr. C Rajesh, Prof. Najla T V, and Prof. Muneera k.

The house containing many volunteers, they are :

Sub : Permission for carrying out project work at your Institution

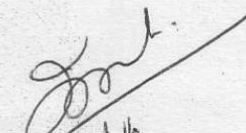

Sir,

In partial fulfillment of the M Sc Chemistry course in this College a project work is needed. I came to know that your esteemed institution has facilities for such project work. I request you to kindly give permission to Ms.Aswathy Balakrishnan M, to do the project work

Yours faithfully

PRINCIPAL.

To,

Dr. C Rajesh
Assistant Professor
Department of Chemistry
MES Keveeyam College, Valanchery

Dear Sir,

Sub: Request for permission to conduct compression moulding and mechanical studies using UTM

Kindly make the necessary arrangements for Ms. Annie Stephy, Research Scholar, Department of Chemistry, St. Joseph's College (Autonomous), Devagiri, to carry out the compression moulding of the thermoplastic samples at 80 °C using the hydraulic press and also the mechanical studies of the compressed samples at your department. I would be obliged to you for considering this request favourably.

Thanking You

Yours Sincerely

Dr. Tania Francis
Research Supervisor
