To

The Chairman  
Board of Studies (Psychology),  
University of Calicut.

Sir,

During our feedback sessions regarding the curriculum, 28% of the final B Sc Psychology students, expressed their concern that the current curriculum has only an average coverage of all the aspects to be studied in their area. In light of this feedback, I humbly request your consideration in revising the syllabus to incorporate more advanced and relevant topics that align with the latest developments in the field. By doing so, we can ensure that our curriculum remains dynamic and responsive to the evolving needs of our students and the industries they are preparing to enter.

Thanking you

Yours faithfully

To

The Chairman  
Board of Studies in B Voc Retail Management,  
University of Calicut.

Sir,

During our recent feedback sessions with alumni, 40% of our former students who completed their course in B Voc Retail Management, expressed their opinion that the current curriculum falls short of meeting the requisite professional standards in the field of Retail Management. In light of this feedback, I respectfully urge you to consider incorporating more skill-based courses into the curriculum revision process. This proactive approach will not only enhance the quality of education we provide but also strengthen our graduates' readiness to meet the demands of the professional landscape.

Thanking you

Yours faithfully
