

## **REPORT OF EXTENSION ACTIVITIES-2022-23**

### **Care @ Home**

Care @ Home is an initiative by the college for the educational upliftment of poor children, deprived of either of their parents. Through this venture our institution provides all the required facilities from the primary level of education itself to the children irrespective of their caste or religion. The provide free tuition, education materials, health aid, dress materials, medical insurance, food and essential commodities including festival food kits, personal development and motivational workshops, counselling sessions, ability enhancement workshops, travel allowance for adoptee's guardians to attend PTA meetings, etc.

Teachers act as mentors to analyze the educational progress of adopted students. The mentors stand for a teacher cum parent to every single student. The range of students starts from first standard to higher secondary. The adopted student is free to choose any institution in his/her convenience and is provided all required financial assistance. A male student can continue his education till he finishes his post graduation and a female student is supported until her marriage. Each adopted student is provided with four pair of new clothes and school uniforms at the beginning of the academic year. During festivals like Eid, Vishu, Onam and Christmas, the students are gifted with new clothes. Stationery and toiletry are provided regularly.

The guardians of the adoptee are free to redress their grievances and analyze the progress of the student in a monthly meeting on every second Saturday. We conduct cultural programmes, counseling sessions to promote their mental wellbeing. Selection takes place through application process and the monitoring committee will decide the least privileged from the given applications. The shortlisted adoptees will have to face a detailed enquiry by the concerned authority to ensure the deserved. Financial source is mostly made up by public contributions and sponsorship. Our student alumnae also join their hands with us by sponsoring adoptees. The Valanchery unit of MES supports the activities of Care @ Home.

### VALANCHERY

Valanchery,  
01.03.2024

Muslim Educational Society is committed in working for the upliftment of the under privileged with special focus on students. As you know that since 2016 MES is engaged with a programme titled Mescare@home. This programme provides free education, food and medical care for selected children. The children can be with their family members while availing these benefits. The beneficiaries of this programme are financially backward orphan children between the age group of 5 to 13. Currently under this initiative there are 33 students who are pursuing their classes from LKG to Under Graduate Programme. And now it is 8 years since we started this programme with the aim of imparting education till Post Graduation and to dispense other benefits till the beneficiary girl child gets married. We believe that it's our duty to extend our hands to the destitute and deprived. And this is a moral obligation of a true believer too. All these years we were supported by donations from people all around. Each year we spent rupees 8 lakhs for this programme. We thank you for your time and consideration. We request you to contribute your donation or sakkath towards the noble cause.

#### OUR PROGRAMMES

- Complete Adoption Programme- Helps to meet their life and educational expenses of orphans.
- Monthly gathering- discussions, distributions of articles of daily use and moral awareness
- Personality Development- motivation classes, training programs, counseling sessions
- Teacher parents- communication with school and madrasa teachers, support in curricular and co-curricular activities
- Complete Medical Care Special packs (kits) at the time of Celebrations
- Distributions of study materials
- Provide tuition fees, vehicle fees, madrasa fees etc
- One Day Study class
- Study Tour with Mother
- Trainings par with the aptitude of students.

An advent by the MES to find out the hidden talents latent in the desolate young generation, along with their family and to mould them into responsible human beings to face this challenging new world with confidence.

### WEC SAKTHI-2022-23

#### OLD AGE HOME VISIT

Teachers and students of the college visited Thavanur old age home on 07.11.2022. This visit was organized with the aim of creating better commitment among students with family and community. The visit was included 34 students accompanied by Dr. Soumini C. (Women cell coordinator), Dr. E. Janeeshma (Women cell joint coordinator), Jasna K. V. (Women cell department coordinator) and Ms. Raghitha K.V. (Assistant Professor in botany). Students interacted with the inmates and entertained

with cultural activities. The inmates also participated in the cultural activities with the students with much energy and enthusiasm. The students have raised a fund by themselves and used it to purchase some essential items like soap, towel, food items etc. for the inmates. The visit helped to create social awareness among the student community.

Coordinator- Dr. Soumini C

Principal - Dr. Vinod Kumar K P

Teachers and students of our college visited Snehaveedu- Home for destitute at Muthoor Road, Tirur on 24.01.2023 from 10 am to 1.00 pm. The visit consists of 35 students and was accompanied by. Dr. Soumini C.( Women cell coordinator), Dr. E. Janeeshma (women cell joint coordinator) and Ms. Jameela M.K. (Women cell department coordinator). Discussions were held with Dr. Anwar and Dr. Kamarunneesa Anwar, the founders of Snehaveedu. Dr. Kamarunneesa Anwar explained the reasons behind starting such an initiative. Students interacted with them with great enthusiasm and were motivated by their dedication and social commitment. Dr. Kamarunneesa Anwar presented two books written by her to the college.

Students have raised a fund and contributed it towards the ongoing infrastructure development of Snehaveedu. They also distributed food items for the inmates. PG and Research Department of chemistry handed over soaps made by the students. Students performed cultural programs and interacted well with the inmates. They are very cooperative with the visit and hence it was a memorable day for all the participants. Dr. Soumini C. delivered a talk about the importance of social commitment to the students. Dr. Janeeshma E. proposed vote of thanks.

## NSS EXTENSION ACTIVITIES 2022-2023

### STREET PLAY STAGED ON WORLD ANTI-NARCOTIC DAY

On 04/07/2022, NCC and NSS units of MES KEVEEYAM College, Valanchery, organized a street play at Valanchery Busstand to observe World Anti-Narcotic Day. The play aimed to raise awareness about the dangers of narcotics and their consequences. Mr. Jineesh K J, Inspector of Police Valanchery, inaugurated the event, with Principal Prof. Shajid, Dr. Preetha S R., and Prof. Dinil S. in attendance.

Following its success, the play was also performed at MES Higher Secondary School and other schools in the district, as part of NCC Units' wider initiative to combat drug abuse.

## NCC EXTENSION ACTIVITIES 2022-2023

### AZADI KA AMRUTH MAHOTSAV -FLAG DISTRIBUTION INITIATIVE& PRABHATH BHERI RALLY FOSTERING PATRIOTISM IN EVERY INDIAN

As part of the Azadi ka Amruth Mahotsav celebrations, our institution conducted diverse extension activities to honor India's 75th Independence Day. A significant initiative under "Har Ghar Triranga" was the distribution of national flags not only to cadets but also to their neighbors, encouraging widespread participation in hoisting flags at every home. Flags were generously provided by 29(K) Bn and MES KEVEEYAM NCC Unit, enhancing community spirit and patriotism.

A highlight event was the Prabhath Bheri rally led by dedicated NCC cadets and NSS Volunteers. This rally, held on 13/08/2022 from 8:30 am to 9:30 am, journeyed from our college to Valanchery town and back, serving as a vibrant expression of national pride and raising public awareness about India's 75th Independence Day.

13/08/2022

The presence and active involvement of Principal Shajid PP, Associate NCC Officer Lt. Najiya K V, NSS Programme Officer Dr. Preetha SR, and other esteemed faculty members added significant value to these activities. Their leadership, guidance, and support ensured the smooth organization and execution of these events, leaving a lasting impact on all participants and spectators.

## NCC Pavilion: Showcasing Military Equipment and Knowledge

During MESPO 2023 on 7th and 8th February, the NCC unit organized an impressive "NCC Pavilion" under the guidance of Associate NCC Officer Lt. Najiya KV and Havildar Ratheesh Mohanan from 29(K) Bn. The pavilion showcased a diverse range of exhibits including rifles, army uniforms, map reading equipment, charts, and more. The display attracted a large crowd, especially school children and college students, who were thrilled to see the military artifacts up close.

The NCC cadets from MES Keveeyam College took charge of explaining the exhibits to the public, providing insightful information about each item. Additionally, they efficiently managed the crowd during the exhibition, ensuring a smooth and engaging experience for all visitors."

## ENGLISH-EXTENSION PROGRAMME 2022-2023

Enhancing Communicative, numerical and psycho motor skills in Pre primary school children

As a part of the extension activities of the college, the PG Department of English has conducted an Extension programme in order to improve the communicative, numerical and psychomotor skills of pre-primary school children. Students of Vendalloor and Parambathukavu Anganwadi were selected. Students from the English department engaged classes based on the well planned modules. The extension programme was implanted on 2nd, 5th 6th and 7th of December 2022.

The list of the students participated in the extension programme:

1	Hiba Shareem T
2	Farseena Shirin K
3	Jannath Sherin KK
4	Najla C H
5	Vismaya KP
6	Nubla Nahan
7	Fathima Anshida

### MODULE ONE:

This module is designed to improve the listening skills of the pre-primary children.

Objectives:

- To enable the students to listen to particular rhymes
- To enable the students to recollect and recite some rhymes
- To encourage the students to sing rhymes

### PROCESS

The students are asked to recite some of their favourite rhymes/action songs and then the teacher introduces them a new nursery rhyme displayed on a chart with pictures and recites the lines. Students

practice rhymes. Teacher plays rhyme in the tape recorder and students dance and act accordingly.

### **MATERIALS USED**

Chart papers, Pictures, tape recorder and toys etc.

### **MODULE TWO**

This module is designed to improve the numerical ability of the nursery children.

Objectives:

To enable the students to recognize numbers from 1-10

To enable the students to count numbers accurately from 1-10

To enable the students to count numbers from backward to forward.

### **PROCESS**

The students are asked to count numbers from 1-10. The teacher asks the students to identify numbers from the displayed chart. The students are asked to count numbers backwards also. Teacher brings a chart with the

picture of fruits and students count their numbers and colour them. Students practice counting numbers.

### **MATERIALS USED**

Chart papers, number shapes, pictures of fruits, crayons

### **MODULE THREE**

This module is designed to improve the psycho motor skills of the students.

Objectives:

- To enable the students to actively participate in craft making.

To enable the students to make some craft materials.

To increase student participation and co operation.

### **PROCESS**

The teacher makes some craft materials like butterfly, boat and flowers. The teacher supplies students with colour papers and helps the students to make craft items.

### **MATERIALS USED**

Colour papers, scissors, gum

### **MODULE FOUR**

module is designed to engage students in games Objectives: To enable the students to actively participate in . To improve cooperation and confidence To improve psycho motor skills

### **PROCESS**

The teacher divides students into groups and arranges games like musical chair, and making paper cup tower. Students actively participate in games.

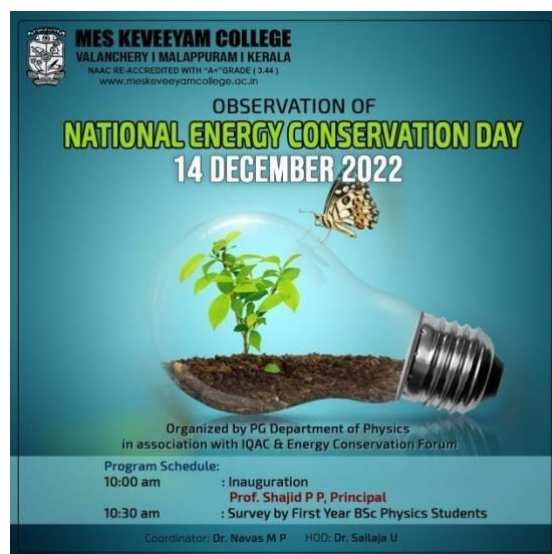

Materials Used:

Paper glass

### **Energy Conservation and Awareness Survey**

On 14<sup>th</sup> December 2022, National energy conservation day, PG Department of Physics, in association with IQAC and Energy Conservation Forum, MES Keveeyam college, Valanchery conducted an energy conservation awareness survey in the households of the municipality of Valanchery. 39 students of the first-year BSc Physics and staff coordinator Dr. Navas MP visited 200 households in the municipality. The survey form consists of two sections to evaluate energy conservation awareness and energy

consumption by members of various households. Based on the survey, the survey team recommended ways to reduce energy consumption in households. They also engaged in conversation with individuals to enlighten them on the need for energy awareness in the present situation. The public warmly responded to the survey and elucidated their queries related to energy. The survey team heartily welcomed the queries and constructively responded to them. The survey team believes that the survey will help in reducing energy consumption in the locality and that energy conservation awareness will spread in society.
