MOU with ASAP KERALA

2022-2023

An MoU was signed with ASAP Kerala for conducting programmes in the institution for the development of soft skills, career skills and for the enhancement of placements in the campus on 30th June 2022 by the Principal MES Keveeyam College, Prof. Shajid P P. The ASAP programme manager Mr. Rameez, IQAC Coordinator Dr. Najila T Y and ASAP coordinator Dr. Reji A L witnessed the event.

ASAP CELL ORIENTATION CLASS INAUGURATION

Principal inaugurated ASAP Orientation class during the academic year 2022-2023 at AV Hall on 24/06/2022. ASAP Coordinator Dr. Reji A L welcomed the gathering and ASAP programme manager Mr. Rameez engaged the session. Ms. Fareedha, HOD BCA department delivered vote of thanks.

ASAP INDUCTION PROGRAMME FOR FIRST YEAR

2022-2023

FIRST SPELL

ASAP Induction Programme for first year students was inaugurated on 29/09/2022 by Prof. Shajid P P. The first spell was conducted in three batches in the Commerce block from 9.30am to 3.30pm. The sessions were engaged by ASAP trainers Ms. Anjana R, Ms. Shinta Davis and Ms. Shahana V P. It was monitored by the ASAP Programme Manager Mr. Rameez and coordinated by ASAP Coordinator Dr. Reji A L.

ESCALE - Induction Programme for First Year College Students				
Induction Training Objectives				
	1	To integrate the first year students to the new learning environment		
	2	To familiarize the trainees the changes they can see in the new environment and also the ways to take the ownership		
	3	To provide the right exposure to help them design their career in a more informative way.		
	4	To ensure the trainees are aware about career oriented courses and its opportunities		
	5	To equip the trainees to approach their career by taking efforts to build right skills - Language and Coding Skills		

Schedule				
Sl No	Time	Session	Objective	Activity (according to your convenience)
1	09.30-10.30	Ice breaker - Knowing Oneself	To ensure the trainees participation and for effective mingling and to understand themselves better	1. Paper ball throw (crush the questions) 2. Balloon and Sticky Note Activity 3. Ribbon Exchange Activity
2	10.30 - 11.30	Breaking Inhibitions & Comfort Zone	To equip the participants to come out of their mind blocks and gain confidence to thrive forward	1. Magic Chair 2. Dinga Dinga 3. Comfort Zone Explanation
3	11.30 - 12.30	Team Formation & SWOT Analysis	To make the trainees realize their own Strengths and Weakness and identify the right Opportunities matching their strengths and how to be better prepared to face threats .	1. Team formation using chits 2. Sketch Pens
	12.30 - 01.30	Lunch Break		
4	01.30 - 02.30	Goal Setting	To assist the trainees to set SMART goals and help them understand the importance of continuous process in achieving goals	1. Football with Smiley Balls and Basket
5	02.30 - 03.30	Need for Upskilling	To make the participants aware about the importance of upskilling and how it helps their probability to land up in building a right career	Introduce the ASAP courses and explain their importance and influence in their career
6	03.30- Finish	Way Ahead, Closing & Feedback	Enabling them to make a bigger picture for the next 3-4 years and ending the session on a high The respective PM in charge or DPM can speak during closing to explain the role of ASAP in their institution for the next 3-4 years	1. Music and Team Tableau 2. Feedback (written and verbal)

PROFESSIONAL ORIENTATION ON TRENDING TECHNOLOGIES IN IT

28/10/2022

The event titled "PROFESSIONAL ORIENTATION ON TRENDING TECHNOLOGIES IN IT" was organized by the Department Of Computer Application on 28th October 2022 at 10 am in AV hall. Ms. Fareeda, Assistant professor and HOD, who delivered the welcome speech. The session was inaugurated by our principal, Prof. Shajid PP. The session was handled by the professionals from JETKING INFOTRAIN Ltd highlighting the importance of keeping up with the latest technologies in the field of computer applications.

The program was conducted in association with JETKING INFOTRAIN Ltd, a leading training institute in the field of IT. The program aimed to provide students with a comprehensive understanding of the latest technologies and trends in the field of computer applications, and how they can be applied in various industries.

The program consisted of a series of technical sessions and workshops, delivered by experts in the field. These sessions covered topics such as artificial intelligence, machine learning, data science, cloud computing, and cyber security. The workshops provided hands-on experience and practical applications of the technologies discussed during the technical sessions.

WEB DEVELOPMENT TRAINING FOR MES HSS IRIMBILIYAM STUDENTS

5/12/2022

The Department of Computer Application conducted an extension programme on WEB DEVELOPMENT TRAINING FOR STUDENTS FROM MES HSS IRIMBILIYAM on 05th December 2022, 1:30 pm at ICT Lab. Principal Prof. shajid inaugurated the program and the felicitations was done by fareeda p (HOD of computer applications) and (faculty of MES HSS IRIMBILIYAM). The session was led by students from department of computer applications.

The program aims to give students the skills and knowledge needed to build functional and visually appealing websites. The session included topics such as HTML, CSS, Bootstrap and JavaScript programming languages, as well as design and user experience principles. The program became very interesting and productive along with the practical sessions to build a web pages for the students from MES HSS IRIMBILIYAM to build websites themselves.

SESSION ON WOMEN CYBER SECURITY

13/03/2023

The session on Women Cyber Security was organized by the Department of Computer Application in association with KSWDC Women Cell. The event was held in the AV Hall at 10 AM on 13/03/2023. 34 girls students from various department were participated in this program. The resource person for the session was Razim Mehaboob, the Head Trainer of Redteam Kottakkal. The coordinators for the event were Dr. Soumini C and Jasna KV. The Kerala State Women's Development Corporation Ltd. (KSWDC) played an active role in organizing the event. The event was a step towards this goal, as it aimed to create awareness among women about cybersecurity and ways to protect themselves from online threats.

The Vice-Principal of the college, Prof. Shald P P, was present at the event and emphasized the importance of such sessions in today's digital age. He encouraged the participants to make the most of the opportunity and learn from the resource person. The Principal of the college, Dr. Vinod, also expressed his appreciation for the event and the efforts put in by the coordinators and organizers. He stated that the college is committed to promoting gender equality and empowering women through various initiatives.

Overall, the session on Women Cybersecurity was a success, and the participants left the event with a better understanding of the importance of cybersecurity and ways to protect themselves online. The college's commitment to promoting gender equality and empowering women is reflected in such events, and it is a step towards creating a more inclusive and secure society.

A workshop on Paper bag making was organized by the department on world paper bag day (12.07.2022). It was organized to make aware/train entrepreneurial culture among students and to develop technical and vocational skills or upgrade existing skills of the target group. Dr. C. Soumini was the coordinator of the programme. Dr. Soumini trained them to make eco-friendly carry bags and motivated the students to avail an income through the skills developed by this one day venture.

SOAP MAKING WORKSHOP ON 01.12.22

Soap making workshop was conducted by the department on 01.12.2022. Dr. C. Souminiwas the coordinator of the programme. Students were given training for making soaps and they have prepared about 100 soaps.

ONE DAY WORKSHOP ON CAREER OPPORTUNITIES AND SUSTAINABILITY IN WASTE PLASTIC MANAGEMENT

Centre for Petrochemical Engineering and Technology, Hyderabad

About CIPET

Central Institute of Petrochemicals Engineering & Technology (CIPET) (*formerly known as Central Institute of Plastics Engineering & Technology (CIPET)*) was established in 1968 by Government of India with the assistance of United Nations Development Programme (UNDP) at Chennai. The main objective of setting up of this specialized institute was to develop manpower in different disciplines of Plastics Engineering & Technology as no similar institute was in existence in the country. International Labour Organization (ILO) served as the executing agency. During the initial project period between 1968 and 1973, the institute achieved the targets envisaged and was rated as one of the most successful UNDP projects implemented worldwide. Today CIPET is a premier Academic institution for higher & technical education under the Ministry of Chemicals & Fertilizers, Govt. of India fully devoted in all the domains of plastics viz:- Design, CAD/CAM/CAE, Tooling & Mould Manufacturing, Production Engineering, Testing and Quality Assurance. CIPET operates from various locations spread across the country to cater the needs of the Polymer and allied industries.

A one day workshop on Career Opportunities and Sustainability in Waste Plastic Management was conducted at Centre for Petrochemical Engineering and Technology, Hyderabad on 12-12-

2022. V Kiran Kumar (Chief Technical Manager, CIPET) inaugurated the programme. Mr. Sreekumar (Senior Technical Officer, CIPET) led the training. Dr. C. Rajesh and Dr. Jisha VS also spoke on the occasion.

Training Sessions

How to build the innovation ecosystem (26th July 2022)

Innovation and entrepreneurship development centre (IEDC) were organised program named How to build the innovation ecosystem on 26th July 2022 at 10:00 am in AV hall. This started with the arrival of the chief guest, prof. vishal nair. He is the nodal officer of IEDC MESCE and asst. prof. MES college engineering Kuttippuram. The programme began with the welcome speech by IEDC chief Executive officer, Shamsudheen. Inauguration session by principal of our college, Shajid sir. And facilitation delivered by Dr. Najila ma'am QAC coordinator and HOD of research and PG dept. commerce, Dr. PC Santhosh Babu sir

The purpose of this programme was to know students about Innovation ecosystem. There was great enthusiasm among the students and they were looking highly spirited. The chief guest gave a very motivating speech on this occasion about the innovation ecosystem. The programme ended with the vote of thanks of the assistant marketing officer of IEDC, Ashik . He thanked the chief guest , prof. Vishal Nair and the students for making the programme success.

The session concluded by the presence of Shajid sir, as he handed over the memento to prof. Vishal Nair as a token of love and gratitude.

How to build the innovation ecosystem 26th July 2022

Workshop on Flutter 25th October 2022

Innovation and entrepreneurship development centre (IEDC) organised a workshop on Flutter on 25th October 2022 from 10 am to 3:30 pm at ICT Lab. This program was blessed with the presence of Arshad Sanin, flutter developer, Digimogo Inc Bangalore. It was a proud moment for the college as the resource person, Mr. Arshad, is an alumnus of MES Keveeyam College Valanchery. The program began with an opening speech by IEDC Asst.Operation lead Ms.Rida Rahma and was inaugurated by Principal Prof. Shajith PP. Felicitation speeches were delivered by Dr Santhosh Babu, HOD of Research and PG Department of Commerce and Prof. Farida, HOD of Department of Computer Applications.

The main purpose of this workshop was to teach the students, the basic use of flutter. Flutter is a mobile app development platform created by Google. It allows developers to create web, desktop, and cross-platform apps that run on Android and iOS devices. Flutter uses a reactive programming language called Dart, making development faster and easier than traditional methods.

The workshop was totally engaged. Students were happy to learn about this tool. Workshop was concluded with a photo session and Ms.Sneha KT Asst.Opertion lead delivered a vote of thanks.

Workshop on Flutter 25th October 2022

Two Days Workshop on Design Thinking 2nd & 3rd December 2022

The innovation and entrepreneurship development centre (IEDC) organised a 2-day Workshop on Design Thinking at AV hall of the College on 2nd and 3rd December 2022. This was handled by Mr. Akshay Pradeep, State student Lead of IEDC NEST, KSUM and assisted by Arun Mohan IEDC NEST Lead member.

The program began with an inauguration ceremony and an ice-breaking session. The main purpose of this workshop was to teach students, the different phases of design thinking. Also, introductions were given to tools like Canva, Notion, Bitly, Forms, Docs etc. Several students from different colleges were part of this workshop. Participants shared their ideas and build on them collaboratively. The sessions were engaged with different activities. It helped the teams to develop much-improved respect and understanding of each other's range of skills and how each of them brings great value through more collaboration and co-creation. The workshop was concluded with a photo session and valedictory speech by Principal Mr. Shajid sir

Two Days Workshop on Design Thinking 2nd& 3rd December 2022

A Key to Startups: Linking Entrepreneurs with Banks for MSME

12th December 2022

On 12th December 2022, “A key to startups: Linking entrepreneurs with banks for MSME” was organised by Innovation and entrepreneurship development centre (IEDC) in collaboration with the Institution’s Innovation Council (IIC) and Internal Quality Assurance Cell (IQAC). This program was aimed at bringing knowledge about funding for new startups. The program was blessed with the presence of Mr Syamsankar Sugumaran, Chief Manager, Head of MSME Loan Point Kollam, Union Bank of India. It began with a welcome speech by IEDC Chief Marketing lead, Ms Najla. The inaugural session was given by the principal of our college, Mr Shajid sir followed by a felicitation speech by the Assistant Coordinator of the ED club, Asst. Prof. Nusrath P.

In light of this helpful, eye-opening session on how to kickstart your startup ideas with the necessary funding, the students were highly curious. The resource person discussed different schemes available to students and budding entrepreneurs. The program was a highly information-seeking session. The Chief guest gave a very illuminating speech incorporating interactive examples. The programme ended with a vote of thanks by the Assistant Technical lead of IEDC, Mr Rishin Mohammed who thanked the chief guest and the gathered students for making the programme a success.

A Key to Startups: Linking Entrepreneurs with Banks for MSME 12th December

2022

2 DAY FIGMA WORKSHOP (16-17 Feb 2023)

The innovation and entrepreneurship development centre (IEDC) organised a 2-day workshop on Figma UI/UX at ICT Lab of the College on 17th and 18th February 2023. This program was blessed with the presence of Mohammad Fasil and Shaheem Ali, UI/UX experts. The program began with an opening speech by IEDC member Ms. Niya Febin and was inaugurated by Vice-Principal Prof. Shajith PP. Anas bin Ashraf thanked the chief guest for their presence.

The workshop was very informative and interesting, thanks to the resource persons, and the aspects of creating a UI/UX design in a matter of minutes was just simply amazing. Figma is a cloud-based design tool that is similar to Sketch in functionality and features, but with big differences that make Figma better for team collaboration. Throughout the session, individual attention and mentoring were done by the tutors.

On the 2nd day of the workshop, the session ended by giving mementos to the guest by Principal Vinod S ir. The workshop concluded with a photo session and valedictory speech by Shamsudheen PK, CEO of IEDC MES KVM College Valanchery.

ONE DAY CAMP AT PRAKRITI GRAMAM, TIRUR GANDIAN NATURAL HYGIENE HOME (21/10/2022)

A team of 37 students of II BSc Zoology and 2 faculties, Dr Jishakrishnan and Dr Ayisha Banu visited Tirur Gandhian Natural Hygiene Home on 21-10-2022. It was a visit to get trained on how to prepare and consume "Prakrithi Food", a way of preparing food with natural ingredients with less toxins. Students involved in making "Prakrithi Sadhya" a feast with special food items. After the feast a class was conducted by Dr. Radhakrishnan. It was followed by a feedback session by the students on the whole programme.

ONE WEEK CERTIFICATE COURSE BY MAHINDRA PRIDE CLASS ROOM (7 TO 12/ 11/2022)

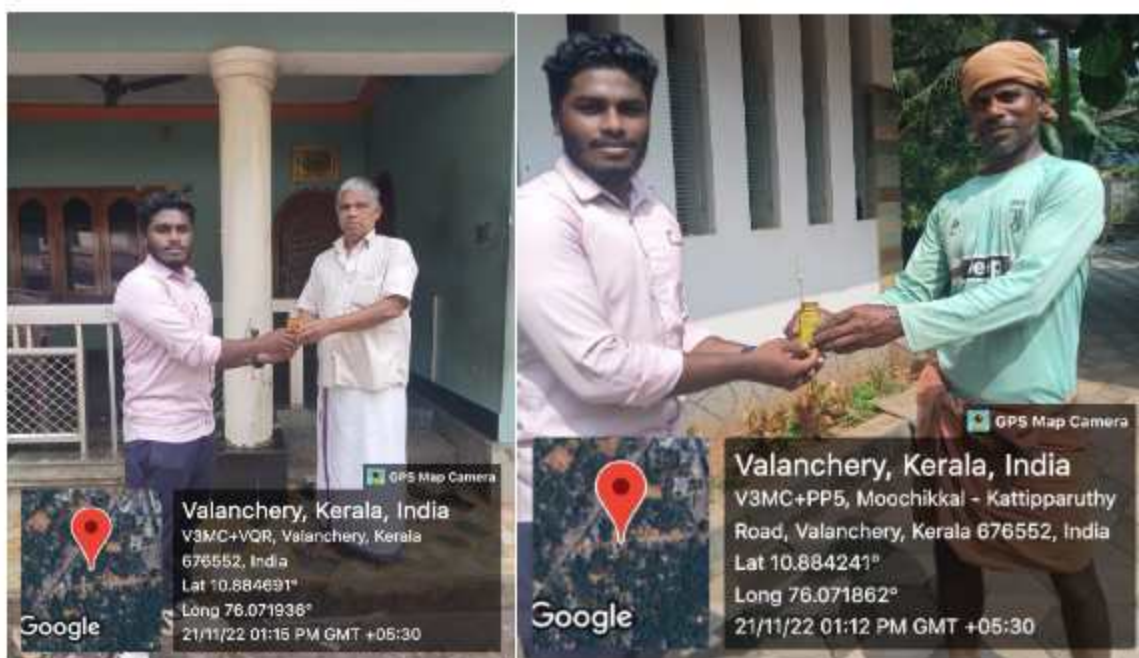

The Mahindra Pride Classroom training programme by Naandi Foundation was held from 7th to 12th November 2022. The training program was led by trainers of Nandi Foundation- Mrs. Anusha K, Mrs. Haritha Unnikrishnan and Mrs. Nimitha Shajahan. The programme dealt with communication skills, soft skills, life skills & interview skills, which aims to help students become ready to face interviews and secure good jobs in reputed companies. On the first day, the session started with pre assessment test. Then, they spoke about self-introduction and did a 'palm activity' depicting the professional qualities of each student. 'Stickman activity' was conducted to make the students aware about their interdependence of personal qualities in their profession. Then they spoke about time management, short term and long-term goal setting. On the second day, they spoke about body language. They explained postures, gestures and facial expressions in detail. They also discussed on debates, presentations and group discussions. They carried out trials to show an example for the students. They spoke about the revolutions that gradually

evolved through centuries, from agriculture revolution to an upcoming era of artificial intelligence. On the third day they discussed CV and resumé preparation. They spoke about different kinds of resumé and CVs, and different kinds of applications that can be used to make resumé and CV, about all the rules and regulations for preparing it. On the 4th day, they spoke about interview. They discussed different kinds of interviews, different interview techniques, how to answer many interview questions. They also discussed about different job portals particularly for different courses. They made the students understand how they can search for a job and utilize each opportunity. They also made the students familiar with different applications that can be helpful to secure a job. They concluded the session with a post assessment test. On the final day, a mock interview was conducted for each student in person. And each student was addressed by their drawbacks that should be rectified on their job interviews. A closing ceremony in presence of the Principal Prof. Shajid P P was conducted where students who have attended the MPC training program were given certificates. Mementos were presented to 6 best performers.

READING WEEK CELEBRATIONS -2022

As part of Reading Week Celebrations – 2022 PG Department of English, MES Keveeyam College, Valanchery organized an invited talk on “*Reading Selectively: An Alternative Technique*” on 22/06/2022 at 10.30 am at the College A.V. Hall. The key speaker of the day was Mr. C. Sandeepani, senior reporter at Mathrubhumi daily. Dr.Najila T.Y, Head of the department of English and IQAC Coordinator, welcomed the gathering. Presidential address was delivered by Prof. Shajid P.P. Mr. C. Sandeepani inaugurated the programme and spoke about the importance of reading. In his keynote speech Sandeepani focused on the relevance of reading the right books at the right time and discussed the necessity to cultivate selective reading. Joint Coordinator Prof. Shahil Mon P.P. delivered the vote of thanks.

Other than having an academic section, a variety of other programmes were also lined up for the week. On 23rd June, a quiz competition was held and a group of two students representing each department participated in the competition. Along with that, a book fair with both regional and international best sellers were hosted in collaboration with D.C Books. The highlight of the programme was musical drama choreographed by the UG and PG students of our department, in which legendary characters were recreated in stage.

CHEENI FM

The campus radio CHEENI FM of MES KEVEEYAM College, Valanchery, which was hushed earlier due to COVID 19 pandemic, now comes back to life after two years. Cheeni FM used to be the voice of our institution and its relaunching which was held on August 11, at 1 PM and it was received wholeheartedly by the campus. The first episode was prepared by the final year BA English students and it marked the beginning of a new page of the CHEENI FM. The next episode, broadcasted on 6th October was hosted by the second Year BA English students. Up to this date, about eight episodes were aired.

A Seminar on Entrepreneurship for English Graduates

PG Department of English of MES Keveeyam college, Valanchery organized an invited talk in hybrid - mode on 20th March 2023 at 11 AM in the AV hall. The special invitee to speak on the topic was Ms. Saoirse, founder of Saoirse Editorial.

Dr. Vinod Kumar, Principal, inaugurated the session. Assistant Professor Ms. Sivya Vasudevan K K. introduced the resource person. Dr. Najla T Y., IQAC coordinator and Head of the Department of English, delivered the welcome address.

Ms. Saoirse delivered a talk on the topic "Language and Power." She explained the possibilities of entrepreneurship for English graduates. She also talked about the needs of individual and socio- cultural empowerment of students. Ms. Saoirse also detailed the importance of creative writing as well as content writing. The students interacted with the resource person and clarified their doubts. Dr. Reji A L., Assistant Professor, delivered the vote of thanks.

Enhancing Communicative ,numerical and psycho motor skills in Pre primary school children

As a part of the extension activities of the college, the PG Department of English has conducted an Extension programme in order to improve the communicative, numerical and psychomotor skills of pre-primary school children. Students of Vendalloor and Parambathukavu Anganwadi were selected. Students from the English department engaged classes based on the well planned modules. The extension programme was implanted on 2nd, 5th 6th and 7th of December 2022. Sixteen students of the II BA participated in the extension programme

WORKSHOP ON CONTACT LENS AND ITS IMPORTANCE

The department of optometry conducted a workshop for the students on Contact lens and its importance on 2-6-2022.

The goal of this workshop was to provide training for the students on the existing methodologies and uses of contact lens.

Mrs. Aneesha, Asst. Professor, Department of Optometry and Ophthalmological techniques welcomed all the delegates and appreciated the initiative to organize this workshop.

The session was inaugurated by Mr. Shajid P.P (Principal, MES keveeyamcollege, Valanchery).

The chief guest was Dr. ABHIJITH (Head, Contact lens Department, Al Salama eye hospital,

Perinthalmanna). The topic was "CONTACT LENS AND ITS IMPORTANCE"

The session provided hands on training of fitting of contact lens for the students. In addition to that Dr. Abhijith has also illustrated the working principle and method of operation

of different instruments used in this field. The programme was wrapped at 4.00p.m. Vote of

thanks was given by Mr. Anukul (Student of B.Voc).

Hands on training session
