

## **FACULTY DEVELOPMENT PROGRAM ON INNOVATION IN TEACHING AND LEARNING ON 03.12.2022**

Internal Quality Assurance Cell of MES Keveeyam College, Valanchery organized a Faculty Development Programme on Innovation in Teaching and Learning in offline mode on 3rd December 2022 at 9:30 AM at AV Hall. The programme was in two sessions. The special invitees to speak on the topic were Dr. T Mohammed Salim (Principal of Farook College Calicut) and Dr. N. P. Hafiz Muhammed (Head of the Department of Sociology, University of Calicut).

Professor Parayil Moideenkutty, Treasurer of the college management inaugurated the session. Dr. Nabeel, joint coordinator of IQAC, introduced the guest, Dr. T Mohammed Salim. The speakers received a hearty welcome from Dr. Najla T.Y, IQAC coordinator and Head of the Department of English. She then invited our Principal Professor Shajid P. P for the Presidential Address.

The first session, titled “The Art of Teaching”, dealt with the topic ‘how to become a successful teacher’. He explained the concept of *meta-thinking*. Then the session moved on to the challenges of teaching such as, professionalization, invasion of digital age and so on. He made the session interesting by narrating his experiences. He then defined teaching as an art and the methods we could use to make it possible. After the session, Professor KM Rukkiya, Head of the Department of Chemistry handed over the memento to the resource person. The session concluded with a vote of thanks Head of the Department; Zoology and joint coordinator of IQAC by Dr. Krishnaprabha .

The second session, titled “Teacher as a Counselor and Mentor”, started at 1:30pm with a warm welcome by Dr. Jisha (Joint Coordinator of IQAC). The session elaborated on the importance of *participatory learning* and it gave more information about the role of a teacher. He also mentioned the common defects of a teacher such as authoritarianism, one way communication, and advising sort of approach and so on. After the talk Principal shared his concerns and opinions about the session. Then there was a feedback session. Then Principal handed over the memento to the guest. The second session came to an end with the vote of thanks by Prof. Nisab (Joint coordinator IQAC).

### **ONE DAY NATIONAL LEVEL WORKSHOP ON OUTCOME - BASED EDUCATION ORGANIZED BY IQAC, ON 23.12.2022**

The Internal Quality Assurance Cell (IQAC) at MES Keveeyam College Valanchery organized a One Day National Level Workshop on Outcome - Based Education on 23rd December 2022. The conference was intended to formulate a foundational understanding the need for Outcome Based Education. The resource person of the programme was Dr. Edamana Prasad, professor at the Department of Chemistry, Indian Institute of Technology Madras. He gave speech on its objectives and the several steps through which it can be implemented in current teaching practices. The session also included a briefing of how Outcome Based Education is different from traditional teaching practices and its effectiveness in current education scenarios.

**REPORT ON ONE DAY VIRTUAL CONFERENCE ON OUTCOME – BASED EDUCATION ORGANIZED BY IQAC, MES KEVEEYAM COLLEGE, VALANCHERY-14<sup>TH</sup> SEPTEMBER 2022**

The Internal Quality Assurance Cell (IQAC) at MES Keveeyam College Valanchery organized a one day virtual conference on outcome – based education on 14<sup>th</sup> September 2022. The conference was intended to formulate a foundational understanding of the emerging changes in the field of education which is now centred on the teaching –learning outcomes. It was an initial step from the part of the institution to have an insight into the new trends and changes occurred in the academic context with the emergence of National Education Policy. The one day virtual conference consisted of three technical sessions and a concluding Q& A session. The programme was inaugurated by Capt. Dr. P Mohamedali, honourable secretary of the institution. Dr. Najla TY, Head of the Department of English and IQAC Coordinator welcomed the gathering. Dr. Habeeb Rahman, Coordinator of Self Financing Courses and Prof. Shibu, Staff Secretary felicitated the programme.

The first session was handled by Dr. Binu Thomas, IQAC Coordinator of Marian College, Kuttikkanam. He made a comprehensive lecture on the need of an outcome based framework as a new approach for course design and introduced certain technical terms recurrently found in the process. Dr. Nithin Varghesse, Assistant professor, Dept. Of English, St. Berchmans College, Changanassery, was the resource person of the second technical session. He made a very remarkable lecture on the different methods of evaluation by illustrating an example which he designed for his students. The third and the final technical session was handled by Dr. Rupali Ahluwalia, head of the Dept. Of Commerce, St. Aloysius College, Jabalpur. She started her session by defining education and how it should be made complimentary to the emerging trends. She gave a very comprehensive idea of Bloom's taxonomy and the different modifications it had over the years. During the Q and A session, some of the teachers mentioned the difficulty of including specially abled students in the OBE framework. DR. Rupali ended her session by asserting the need of special care and concern for planning and implementing the teaching learning strategies for differently abled students.

In the valedictory function, participants shared their feedback regarding the conference and representatives of each Department shared their concern over making a sudden shift to the OBE system. Dr.Najla T.Y Head of the Dept of English made a presentation of the Blue print of a Question paper model based on OBE. Dr. C.Rajesh suggested incorporating OBE framework in the upcoming bridge course as an initial step and every other faculty members welcomed the suggestion. The conference officially ended with a vote of thanks delivered by Prof. Nisab, Joint coordinator of IQAC.

## PROFESSIONAL ORIENTATION ON TRENDING TECHNOLOGIES IN IT-28/10/2022

The event titled "PROFESSIONAL ORIENTATION ON TRENDING TECHNOLOGIES IN IT" was organized by IQAC in association with the Department Of Computer Application on 28th October 2022 at 10 am in AV hall. Ms. Fareeda, Assistant professor and HOD, delivered the welcome speech. The session was inaugurated by our principal, Prof. Shajid PP. The session was handled by the professionals from JETKING INFOTRAIN Ltd highlighting the importance of keeping up with the latest technologies in the field of computer applications.

The program was conducted in association with Jetking Infotrain Ltd, a leading training institute in the field of IT. The program aimed to provide a comprehensive understanding of the latest technologies and trends in the field of computer applications. The program consisted of a series of technical sessions and workshops, delivered by experts in the field. These sessions covered topics such as artificial intelligence, machine learning, data science, cloud computing, and cyber security. The workshops provided hands-on experience and practical applications of the technologies discussed during the technical sessions.

## WORKSHOP ON INTELLECTUAL PROPERTY RIGHTS AND INNOVATIONS- 26/10/2022

The Department of Computer Applications, in collaboration with IQAC, IIC, and IEDC, organized a Workshop on Intellectual Property Rights (IPR) and Innovations on October 26, 2022, at the AV Hall. The event featured Chief Guest Prof. Anson C. J. from CUSAT, who is renowned for his work in IPR studies.

The program was inaugurated by our Principal, Prof. Shajid P. P., setting an inspiring tone for the day. Prof. Anson C. J. led the session, which proved to be both engaging and highly informative for the students. Participants gained valuable insights into the importance of IPR in fostering innovation, making the workshop a productive experience for all involved.
