(Abstract)

MSc programme in Polymer Chemistry under Credit Semester System (PG)-Course structure and Syllabus of Ist and IInd Semesters-approved -implemented-with effect from 2010 admission onwards-Orders issued

GENERAL & ACADEMIC BRANCH-IV 'J' SECTION

No. GA IV/J2/8619/07

Dated, Calicut University PO, 24.07.2010

Read:1. U.O.No. GAIV/J1/1373/08 dated, 23.07.2010.

2. Item no. 1 of the minutes of the meeting of the Board of Studies in Polymer Chemistry held on 16.06.2010

ORDER

As per University Order read as first, Credit Semester System was implemented to the PG programmes in affiliated Arts and Science Colleges and Self Financing Centres of the University with effect from 2010 admission onwards.

The Board of Studies in Polymer Chemistry, vide paper read as second, decided to restructure the syllabus of MSc programme in Polymer Chemistry as Credit Semester System (CUCSS-PG)-and finalized the syllabus of CUCSS-PG-2010 of Ist and IInd Semesters of MSc Polymer Chemistry, with Course Structure.

The Vice Chancellor approved the minutes subject to ratification by the Academic Council.

Sanction has therefore been accorded for implementing the Course Structure and Syllabus of Ist and IInd Semesters of MSc programme in Polymer Chemistry with effect from 2010 admission.

Orders are issued accordingly. Scheme and Syllabus appended.

(Abstract)

M.Sc programme in Polymer Chemistry under Credit Semester System (PG) - 2010 course structure and syllabus of III and IV semesters - approved - implemented with effect from 2010 admission onwards - Orders issued.

GENERAL & ACADEMIC BRANCH-IV 'J' SECTION

No. GA IV/J2/8619/07 Dated, Calicut University PO, 31.03.2011

Read: 1. U.O.No.GAIV/J1/1373/08 dated 23.07.2010.

2. U.O.No.GAIV/J2/8619/07 dated 24.07.2010.

3. Minutes of the meeting of the Board of Studies in Polymer Chemistry held on 03.11.2010.

ORDER

As per U.O. read as 1st, Credit Semester System was implemented to all PG programmes in affiliated Arts and Science Colleges and self financing centres of the University with effect from 2010 admission onwards.

Vide paper read as 2nd, the syllabus of I and II semesters of M.Sc programme in Polymer Chemistry (Calicut University Credit Semester System-PG) was implemented from 2010 admission onwards.

The Board of Studies in Polymer Chemistry, vide paper read as (3) finalized the syllabus of III and IV semesters of M.Sc Polymer Chemistry programme.

The Vice-Chancellor approved the minutes subject to ratification by the Academic Council.

Sanction has therefore been accorded for implementing the course structure and syllabus of III and IV semesters of M.Sc programme in Polymer Chemistry with effect from 2010 admission.

Orders are issued accordingly. Scheme and Syllabus appended. Scheme and Syllabus are also available in University Website.

MESKEDU CAMPUS
VALANCHERY

UNIVERSITY OF CALICUT
M.Sc. POLYMER CHEMISTRY (CBCSS PG)

Syllabus with effect from 2019 admission

The pattern of the Programme

- a) The name of the programme shall be M.Sc. Polymer Chemistry under CBCSS pattern.
- b) The programme shall be offered in four semesters within a period of two academic years.
- c) Eligibility for admission will be as per the rules laid down by the University from time to time.
- d) Details of the programme offered are given in Table 1. The programme shall be conducted in accordance with the programme pattern, the scheme of examination and syllabus prescribed.

Theory Courses

In the first three semesters there will be four theory courses and in the fourth semester three theory courses. All the theory courses in the first and second semesters are core courses. In the third semester, there will be three core theory courses and one elective theory course. In the fourth semester, there will be one core theory course and two elective theory courses.

Practical Courses

In each semester, there will be three core practical courses. However, the practical examinations will be conducted only at the end of second and fourth semesters.

Project and Viva-Voce

Each student has to perform an independent research project work during the programme under the guidance of a faculty member of the college/scientists or faculties of recognized research institutions. Each student has to submit three copies of the project dissertation for valuation at the end of the fourth semester. After the valuation one copy may be returned to the student, one may be given to the project supervisor and the third one should be kept in the department/college library. Evaluation of the project work (4 credits) will be done on a separate day at the end of the fourth semester, after the theory examinations. *Viva-voce* on the project will also be done on the same day.

A comprehensive *Viva-voce* examination (2 credits), based on all the theory and practical courses, will be conducted at the end of the fourth semester, on a separate day.

SCHEME AND SYLLABUS

For General and Skill Papers

2018 ADMISSION ONWARDS

BOARD OF STUDIES IN PHYSICS

CALICUT UNIVERSITY

THENHIPALAM, KERALA, 673 635, INDIA

PREAMBLE

The University Grants Commission (UGC) has launched a scheme on skills development based higher education as part of college/university education, leading to Bachelor of Vocation (B.Voc.) Degree with multiple exits such as Diploma/Advanced Diploma under the NSQF. The B.Voc. programme is focused on universities and colleges providing undergraduate studies which would also incorporate specific job roles and their NOSs alongwith broad based general education. This would enable the graduates completing B.Voc. to make a meaningful participation in accelerating India's economy by gaining appropriate employment, becoming entrepreneurs and creating appropriate knowledge.

The B. Voc. Programme is designed to bridge the potential skill gap identified. The curriculum in each of the years of the programme would be a suitable mix of general education and skill development components. The general education component provides emphasis to Communication skill, Presentation skill, Health and Safety, Industrial Psychology, Environmental awareness, Entrepreneurship development and other relevant subjects in the field. General Education Components should not exceed 40% of the curriculum. Skill Development Component should match the skill gap identified at least 50% of Skill Development Component should be allotted to practical and can grow up to 60% based on the nature of the course. The practical component can be carried out in the college and/or the industry partner premises.

B.Voc. Optometry and Ophthalmological Techniques, is a graduate programme which includes various branches of Applied Physics and Biology. In the present epoch, this course has immense relevance, in the field of education and occupation. The course has been designed to mould the best optometrists. Eyes are the greatest gift of god to human beings. For what the beautiful world would be if one could not see that. Every third blind person is an Indian and there are many others suffering from defective eye problems. Cataract, Diabetic retinopathy and macular degeneration have become common diseases among aged people. Youth also suffer several vision problems. There are many specialty hospitals in Kerala which offer treatment of ophthalmic diseases. Job opportunities for trained optometrists are in plenty in the state.

An effective science education can be imparted at the undergraduate level only by revamping the curriculum according to the needs and developments of the modern society from time to time. To achieve this goal, the curriculum should be restructured by giving emphasis on various aspects such as the creativity of students, knowledge of current developments in the discipline, awareness of environmental impacts due to the development of science and technology, and the skills essential for handling equipments and instruments in laboratories and industries. The units of the syllabus are well defined. The number of contact hours required for each unit is also given. A list of reference books is provided at the end of each course.

Retail management pertains to the task of managing supermarkets and hypermarkets in strict business terms. In India, the retail industry has seen a great upsurge in the past decade. Retail management is the right or rather the best career for those who feel an interest towards commodities, sales markets, market segments, diversification of businesses, advertising and campaigning, and marketing research. There are a lot of opportunities in the retail sector inside and outside of our country.

The units of the syllabus are well defined. The number of contact hours required for each unit is also given. A list of reference books is provided at the end of each course.
