PROJECT WORK

Code	Contact Hrs/week	Credit	Semester
FEN6B17	2	2	5&6

Aim

This is entirely devoted to a project which is to be worked on and completed by the student by the end of the sixth semester.

Learning Outcome

The project is expected to be a specimen document that reflects the student's competence in and mastery of English, ingenuity and workmanship. It provides space to the student's expression of her/his talent, potential and skill in creating his own artifact/product based on the knowledge and art he had acquired through the three-year programme.

The course offers a wide range of topics related to diverse functions of English such as Translation, Media writing, advertisements, investigative journalism and the like.

Project Work

The student can make his/her choice of topic at the beginning of the 5 semester. The necessary ambience to prepare the student for the project work is to be created in the initial phase of this semester. Apart from the allotted hours, all possible materials like books, languagelab etc. are to be fully utilized.

Project Guide

Every student will have a member of faculty as Project Guide. The Project Guide is the facilitator who should (1) Diagnose the difficulties and provide the remediation. (2) Continuously evaluate the progress (3) Give scaffolding/support wherever necessary (4) Promote divergent thinking (5) Facilitate reference/data collection,

The Project:

The expected length of the project is 6000 words.

(Two or three small projects from the same area can be undertaken.)

Choice of Subject:

The student can select any subject related to the areas covered in the Program. A few examples are given below:

1. Media Writing
2. An analytical study on a specific aspect of media or a recent trend in print or electronic media such as
 - a) The representation of women in a particular cartoon strip in a particular newspaper within a specific period.
 - b) A comparative study of the different approaches followed by different newspapers while reporting on the same news event.
 - c) A critical analysis of the layout of a particular newspaper
 - d) The demographic features of the audience who participate (make phone calls/ send letters/email) in a television/radio program within a particular period of time.
3. Conduct a small scale survey on the effect of media among different demographic categories. Examples:
 - a) The reach and effect of *Vayalum Veedum* programme of Akashavani among farmers in a particular area.
 - b) The newspaper readership pattern among a particular group. E.g:- Teenagers.
4. Prepare script for a one-hour documentary for a TV channel/radio
5. Prepare a series of features for a newspaper on a topic which has scope for investigative reporting.
6. Prepare script for two or three episodes of a half hour TV program.
7. News Interview: Report of a topic of current interest based on interviews of eminent

persons in politics/literature etc.

8. Advertisements

II. Translation

1. Translation of literary works in Malayalam/Hindi to English.

2. Translation of Screen plays/scripts for Radio or TV
