Aided by Govt. of Kerala and Affiliated to the University of Calicut
ISO 9001:2015 certified institution

Date: 20/5/2024

To

The Chairman

Board of Studies in B.Sc. Polymer Chemistry,
University of Calicut.

Sir/Madam,

During our recent feedback sessions with alumni, 17% of our former students who completed their course in B.Sc. Polymer Chemistry, expressed their opinion that the current design of the course in terms of stimulating the extra-learning or self-learning is poor in the field of Polymer Chemistry. In light of this feedback, I respectfully urge you to consider incorporating more advanced topics into the curriculum during the revision process. This proactive approach will not only enhance the quality of education we provide but also strengthen our graduates' readiness to meet the demands of the professional landscape.

Thanking you

Yours faithfully
