PROGRAMMING WORKSHOP

The Department of Computer Application organized a "Programming Workshop" under Tinker Hub for interdepartmental students, starting from June 22, 2023, at the ICT Lab. Jasna K V (HoD) delivered the welcome speech, and Asst Prof Ramseena provided the presidential address. Jasna K V (HoD) inaugurated the program, with felicitations led by student coordinator Aswathy (6th semester BCA), and Zuhri Noor (6th semester BCA) overseeing the session. Asst. Prof Shamna K delivered the vote of thanks, making the session productive and engaging for students.

GRAPHIC DESIGN WORKSHOP USING CANVA

The Graphic Design Workshop using Canva, organized by HACT in collaboration with Unnat Bharat Abhiyan, took place on March 9, 2024, at the ICT Lab, MES Keveeyem. The event commenced with a welcome speech by Jasna K V (HoD), followed by a presidential address by Asst Prof. Ameen P. Principal Vinod Kumar K P inaugurated the program, and felicitations were carried out by student coordinator Aswathy (6th semester BCA). Muhammed Salah (6th semester BCA) led the sessions, and Asst. Prof Akshaya B delivered the vote of thanks.

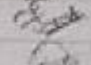

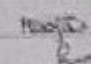

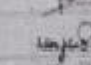

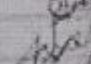

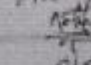

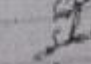

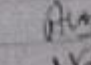

The workshop aimed to impart practical skills and knowledge in graphic design using Canva. It began with an introduction to graphic design fundamentals, covering typography, color theory, and layout. An in-depth exploration of the Canva platform followed, highlighting its features and tools. Participants engaged in hands-on activities, creating their designs and collaborating on group projects. Interactive discussions and Q&A sessions facilitated learning. The workshop concluded successfully, achieving its objectives of equipping participants with practical skills and confidence in using Canva for graphic design. It provided a platform for creativity and innovation, paving the way for future workshops on design-related topics.

ZOOLOGY

1. ENTOMO FEST 23: INSECT WEEK OBSERVATION (19/6/2023 TO 23/6/2023)

a. Peep to ENTOMO WORLD

No. of participants: 30

Insect week was observed from 19th June to 23rd June 2023 as Entomo Fest'23 by conducting vivid programs like installations, Insect awareness Displays, Insect Observation visit and a taxonomy workshop. Curious facts about insects along with the installations made by M Sc students were kept at the entrance of the college to disseminate awareness on insects. Lot of students from the campus read the facts and showed interest on insects.

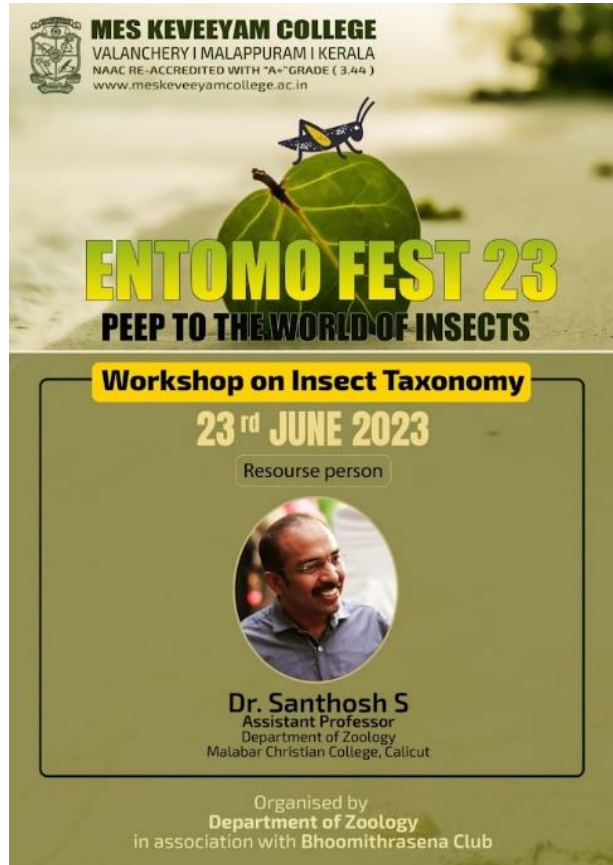

a. Workshop on Insect Taxonomy

Date: 23/6/2023

No. of participants: 55

A one Day Workshop on Insect taxonomy was conducted on 23 June 2023. Dr. S Santhosh, Assistant Professor & Head, Department of Zoology, Malabar Christhian College, Calicut was the resource person. The workshop was conducted in 2 technical sessions. In the forenoon session Dr. Santhosh held an interactive session on the Taxonomy of insects, the common insects observed in our area along with the methods to identify them. Afternoon session was the practicum part detailing the key for insect identification. The session was really interesting for the students and they could identify many of the insects up to order level.

2. TWO DAY TRAINING ON APICULTURE

Date: 4/10/2023 & 5/10/2023

No. of participants: 40

Two-day training programme on Bee keeping and product development was conducted in association with Bhoomithra Sena Club on October 4 & 5 at RMTTI Kottaram. The training programme intended to introduce different techniques of Apiculture and to motivate start-up among the public.

| Technical Session | Tintu Das, CART Member & Royal Honey and Bee Keeping, Palakkad |
| Vote of Thanks | Krishna Prabha K S, HoD, Department of Zoology |

Inaugural session was followed by the technical session handled by the resource person. In the forenoon Mr. Tintu Das elaborated on the different species of honey bees, their peculiarities, habit and behaviour, culture peculiarities, process of honey formation, hive making and colony formation etc. Afternoon session was highly useful to the participants as it was a practical session dealing with the establishment of an Apiary, collection and introduction of a colony in to a hive, equipment's used and different parts of a hive. All the participants personally handled the frame of the hive and many were thrilled as they were touching a honey bee for the first time in their life.

On the second day the session started with a class about honey extraction and harvesting and the valuable commercial product development using honey. He introduced on various equipment's used for harvesting and the techniques of storing honey. Afternoon session was useful for aspiring entrepreneurs as there was an exhibition of the value-added products prepared with honey. Feedback session followed the technical session in which many of the participants expressed their willingness to take apiculture as a means of income. 7 of the participants purchased the hive to start culturing in their houses. The resource person extended all support for them. The training programme concluded with the valedictory session.

- **Establishment of an Apiary in the campus**

Date: 5/10/23

In order to give a training for our students on apiculture, as well as for giving practical session for the certificate course an apiary was set up in the herbal garden of the campus.

2.INVITED TALK ON INTEGRATED PEST MANAGEMENT & APICULTURE & RELEASE OF CRAWLING CURIOSITIES

Date: 16/11/2023

No. of participants: 120

To enhance the awareness, research aptitudes as well the subject exploration in insect Science (Entomology), Department of Zoology, MES Keveeyam College Valanchery has organized a one day invited lecture on the topic of “Integrated Pest Management & Apiculture” on 16-11-23. As the department is offering a certificate course on “Exploring Apiculture for economic sustainability”, the main objective of the programme is to impart knowledge in the basics of Apiculture (Honeybee culture).

| | |
|----------------------|--|
| Welcome | Krishna Prabha K S, HoD, Department of Zoology |
| Presidential Address | Prof. (Dr.) Vinod Kumar K P, Principal |
| Inauguration | Vinodkumar P, Assistant Director of Agriculture, Valanchery |
| Felicitation | <ul style="list-style-type: none">• Prof. K M Rukkiya, Staff Secretary• Prof. Nisab T, IQAC Coordinator |
| Technical Session | Dr. Karthikeyan, Professor, Entomology, Kerala Agriculture Research Station (RARS) Pattambi |
| Vote of Thanks | Ummuhabeeba II M Sc Zoology |

The inaugural session was followed by Technical session and it was started with introducing resource person done by Dr.Jisha Krishnan, Faculty, Department of Zoology. Dr.Karthikeyan handled the entire session with the theme topic, describing the basics of Entomology, relevance of the insects and the bio control practices of the pests of vegetable & horticulture crops using natural enemies. The session also detailed about the Honeybee awareness with a special focus on its culture, maintenance, ecological & economic significance. The session was very informative and students & faculties came with various queries and cleared all the doubts. The programme ended with vote of thanks by Ummuhabeeba (M Sc Zoology student). We honored the resource person for coming and sharing his knowledge with us.

As part of the programme, the department also released a handwritten Manuscript release “Crawling curiosity”. The manuscript was prepared by second year BSc Zoology students describing different kinds of reptiles with their pictures, descriptions specifying ecological roles. The manuscript was released by the resource person and the entire department proudly witnessed the event.

Research Methodology Workshop on 21/09/2023

The Postgraduate Department of English, MES Keveeyam College, Valanchery, conducted a comprehensive workshop on Research Methodology titled **Unearthing the Jewels: The Noble Act of Research**, on September 21, 2023 at AV Hall for PG and final UG Students. The session was handled by Dr. Suhail Abdul Rub, Assistant Professor, Department of English, PTM Govt. College, Perinthalmanna. He has discussed the various new approaches in the field of research and research methodology in detail. It proved to be an enriching and enlightening experience for all participants. Dr. Suhail Abdul Rub's expertise and engaging delivery style contributed significantly to the success of the workshop.

CHEMISTRY

Clock Making Workshop

Trainer: Nidha Nasreen

23 /09/23

An entrepreneurial skill developmet workshop on clock making was organized on 2023 September 22nd and 23rd by KSWDC Women cell and Research and PG Department of chemistry. About 70 students from various departments participated and made beautiful clocks designed by their own ideas using resin. Students got opportunity in designing the clocks and they made different art works using resin, beads and other accessories. They were excited in making budget friendly clocks in different designs. Welcome speech was given by Dr. Soumini C., Women cell coordinator. Dr. K. P. Vinod Kumar, Principal of the presided over the inaugural session. Prof. Shajid P. P., Vice principal, Prof. K. M. Rukiya, Head of the Department of Chemistry and Nisab T., IQAC coordinator felicitated the function. The training was given by III year B Voc Optometry student Nidha Nasreen. Vote of thanks was given by I year MSc Polymer chemistry student Shahma Sherin.

Programme:11 Hands on Training Programme: Mushroom Cultivation

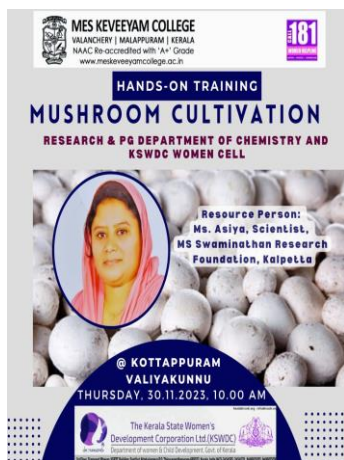

Trainer: Ms. Ayisha

30/11/2023

A hands-on training session on mushroom cultivation was conducted on November 30, 2023, jointly organized by the PG and Research Department of Chemistry and the KSWDC Women Cell for college students and Kudumbasree workers. The event aimed to impart practical knowledge on mushroom cultivation techniques. Principal in charge, Prof. K. M. Rukkiya presided over the function, providing guidance and encouragement. Dr. Soumini C, coordinator of the Women's Development Cell, extended a warm welcome to the participants, setting a positive tone for the training. Prof. Nisab T, the IQAC coordinator, and Dr. Jisha V S and Dr. Saifunneesa T K, played pivotal roles in felicitating the event, emphasizing the importance of such hands-on experiences.

Ms. Ayisha, an expert trainer from the M S Swaminathan Research Institute in Kalpetta, Wayanad, conducted the training. The initiative not only empowered college students and Kudumbasree workers with practical skills in mushroom cultivation but also showcased the collaborative efforts of various departments and organizations to promote sustainable practices.

BOTONY

An invited talk on “Nuturing the crazy ideas into innovation and IPR”

On the 20th of February 2024, an invited talk on “ Nuturing the crazy ideas into innovation and IPR” was organised by the Department of Botany, MES Keeveyam College, Valanchery. The session was handled by Riya Johnson, Research Scholar, Plant Physiology & Biochemistry Division, Department of Botany, University of Calicut. The program presided by Dr. Janeeshma HOD, Botany department and Dr. Maya R proposed vote of thanks.

Understanding intellectual property rights (IPR) can be highly relevant for students, as it equips them with knowledge about protecting their creative works and innovations. By learning about different types of intellectual property such as patents, trademarks, copyrights, and trade secrets, students can better navigate the legal landscape surrounding their own creations and ideas. This knowledge can be crucial for aspiring entrepreneurs, artists, innovators, and anyone involved in creative or research-driven fields

OPTOMETRY

WEBINAR on prevalence of myopia & roles of an optometrist on the Research Persepcts

Department of B.voc Optometry and Ophthalmological techniques conducted a webinar on the topic "prevalence of myopia & roles of an optometrist on the Research Persepcts "on 17/11/2023 Friday at av hall,the programme were started at 10.00am.

The speaker of the day were DR.Divya jagadeesh (research officer school of optometry and vision science ,university of new south wales) the speaker explained about the roles of optometry and prevalence of myopia.

The programe started with welcome speech by mrs sabitha .v department HOD.the programme inaugurated by prof. Nisab .T(IQAC Coordinator meskvm college valanchery)

The programme were informative and interesting which enhance the knowledge of students about the role of optometry in day to day life,and also explain higher education available in the field of optometry

Explain the prevalence of myopia its causes signs and treatment too.by this section students got more ideas abouth further studies in optometry.

More than 70 students participated in the section, interaction section were also conducted.

The programe were end at 12.30pm,by the vote of thanks by final year B.voc optometry student Gopika tv.

Objective of the Event:

- To identify possibilities of quantum mechanics
- To develop knowledge in the field of quantum mechanics

Benefits:

- Understanding the the core areas of quantum mechanics

Report of the Programme

Department of Physics MES KeVeeYam College conducted an invited talk on THE CLOCKWORK UNIVERSE AND QUANTUM MECHANICS by Abhishek M S(Integrated Ph D student, IMSc Chennai) on 23 June 2023. The programme convened at AV hall at 2PM. It was inaugurated by the principal, Dr. Vinodkumar. Students from the department actively participated in the session and interacted with the resource person well. Head of the department Mr. Majeesh M welcomed the gathering and () proposed vote of thanks.

Objective of the Event:

- To understand the strength of classical analyses especially Newtonian approach.
- To create knowledge about Newtonian methods to solve advanced problems.

Benefits:

- Understanding the advanced calculation methods in Newtonian approach.

Report of the Programme

Dr. Antony, a distinguished Professor of Physics, University of Calicut delivered an enlightening talk that underscored the utilization of advanced tools and approaches within Classical Physics. His session delved into the fundamental principles of physics, spanning classical mechanics, quantum mechanics, and electrodynamics. With remarkable adeptness, he elucidated intricate concepts in a simplified manner, ensuring that students could grasp the material effectively.

The event commenced with a warm welcome from Mr. Majeesh M, setting a hospitable tone. The principal MES KeVeeYam College, formally inaugurated the function, adding an air of significance to the occasion. Following this, Dr. Sailaja U, former HOD, delivered a felicitation speech, acknowledging the importance of the gathering and the insights shared by Dr. Antony. Mohammed Shibu extended gratitude to all attendees and contributors, offering a heartfelt vote of thanks.

Objective of the Event:

- Inspire curiosity and interest in astronomy and theoretical physics.
- Provide insight into the methodologies and processes involved in astronomical observation and theoretical prediction.
- Highlight the relevance of interdisciplinary collaboration in scientific research.
- Offer opportunities for learning and engagement with experts in the field.
- Encourage critical thinking and inquiry-based learning.
- Showcase potential career paths and opportunities in astronomy, theoretical physics, and related fields.
- Foster a sense of community among students interested in exploring the mysteries of the universe.
- Empower students to become informed, ethical participants in scientific discourse and discovery.
- Provide resources and support for further exploration of astronomy and theoretical physics beyond the event.
- Ultimately, inspire the next generation of astronomers, physicists, and scientists to contribute to our understanding of the cosmos.

Benefits:

- **Educational Enrichment:** Students gained valuable insights into the latest

advancements and methodologies in astronomy and theoretical physics, enhancing their understanding of these complex fields.

- **Inspiration and Motivation:** Exposure to cutting-edge research and interaction with experts likely sparked curiosity and motivation, encouraging students to pursue further studies or careers in astronomy, physics, or related disciplines.
- **Networking Opportunities:** Students had the chance to connect with peers, professors, and professionals in the field, potentially leading to mentorship, collaboration, or future research opportunities.

Career Exploration: The event provided students with information about various career paths in astronomy, theoretical physics, research, academia, and industry, helping them make informed decisions about their future career trajectories.

- **Critical Thinking Skills:** Engaging with complex scientific concepts, methodologies, and discussions challenged students to think critically, analyze data, and evaluate evidence—a skillset valuable across various academic and professional domains
- **Interdisciplinary Learning:** Exposure to the interdisciplinary nature of astronomical observation and theoretical prediction broadened students' perspectives, emphasizing the importance of integrating knowledge from multiple fields to tackle complex scientific questions.
- **Personal Growth:** Participation in the event likely fostered personal growth by promoting curiosity, intellectual curiosity, and a deeper appreciation for the wonders of the universe.
- **Community Engagement:** Students had the opportunity to engage with the broader scientific community, contributing to a sense of belonging and connection to the scientific endeavor.
- **Ethical Reflection:** Discussions around ethical considerations in scientific research encouraged students to reflect on the ethical implications of their future work and the responsible conduct of science.
- **Resource Access:** Students gained access to resources, materials, and information that could support their academic and professional pursuits in astronomy and theoretical physics beyond the event.

Overall, the event provided students with a unique and enriching learning experience, equipping them with knowledge, skills, and inspiration to embark on their journey in the fields of astronomy and theoretical physics.

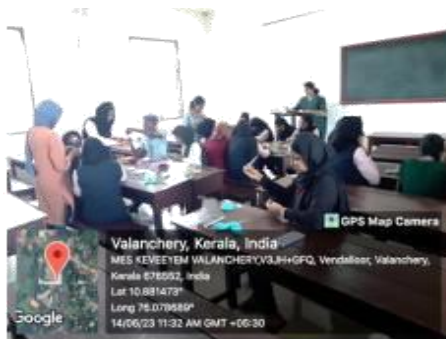

WOMEN CELL

Doll Making Workshop

The KSWDC Women's Cell, in collaboration with the Psychology Department, organized a doll making workshop on June 14th, 2023. The event took place in room no. 412 and was held to commemorate World Doll Day, celebrated annually on June 10th. Dr. Soumini C. and Dr. Aiswarya N. served as the teacher coordinators for the program.

Ms. Nidha Nasreen, a third-year B Voc Optometry student, facilitated the workshop as the trainer. Additionally, Ms. Shifna Parayil and Muhammed Adinan served as student coordinators for the event, ensuring its smooth execution. Approximately 30 students actively participated in the workshop, displaying their enthusiasm and interest in the art of doll making. The workshop aimed to foster creativity while acknowledging the significance of dolls as cultural artefacts and their impact on psychological aspects.

Throughout the session, participants learned various techniques and skills involved in crafting dolls, fostering their artistic abilities. The workshop encouraged a sense of craftsmanship, creativity, and cultural appreciation among the attendees. The Doll Making Workshop successfully engaged students in an insightful and hands-on experience, promoting both artistic expression and an understanding of the cultural and psychological significance of dolls. Such initiatives contribute significantly to holistic development and cultural appreciation among participants. The KSWDC Women's Cell and the Psychology Department express gratitude to all participants, coordinators, and the trainer for their active involvement and contribution to the success of the workshop.

Paper Bag Making Workshop

On 29th July 2023, a skill development workshop focusing on entrepreneurial endeavours through paper bag making was conducted in room no. 114. Dr. Soumini C., the Women's Cell coordinator, took charge as the trainer for the program.

The primary objective of the workshop was two fold:

1. Entrepreneurial Skill Development: Encouraging students to cultivate entrepreneurial skills by learning the art of paper bag making.
2. Promoting Eco-Friendly Practices: Raising awareness among participants about the use of plastic-free materials, emphasizing the importance of sustainable alternatives.

During the session, students actively engaged in creating paper bags, allowing them to develop hands-on skills in crafting these eco-friendly alternatives. Furthermore, participants took the initiative to train their fellow peers, fostering a peer-to-peer learning environment within the workshop.

The workshop successfully instilled a sense of self-reliance and entrepreneurial spirit among the students. By learning to create paper bags and sharing their knowledge with peers, participants not only gained practical skills but also contributed to spreading awareness about reducing plastic usage and promoting eco-friendly practices.

The Paper Bag Making Workshop effectively fulfilled its objectives by empowering students with practical skills for entrepreneurship while simultaneously advocating for eco-conscious behavior. Such initiatives play a pivotal role in shaping a generation conscious of sustainable practices and equipped with entrepreneurial capabilities.

The Women's Cell extends appreciation to all participating students, and those who shared their knowledge, contributing to the success of the workshop and furthering the mission of promoting eco-friendly practices.

Clock Making Workshop

The Clock Making Workshop held on September 22nd and 23rd, 2023, organized collaboratively by the KSWDC Women cell and the Research and PG Department of Chemistry, was a remarkable endeavour in entrepreneurial skill development. The event witnessed the active participation of approximately 70 enthusiastic students hailing from diverse academic backgrounds.

The primary focus of the workshop was to ignite creativity and innovation among the attendees in crafting unique timepieces. Students were encouraged to unleash their imagination, resulting in the creation of stunning clocks that were designed using resin as their primary material. These creative minds explored various artistic approaches, incorporating beads and assorted accessories to embellish their designs.

The workshop not only provided a platform for students to explore their artistic talents but also emphasized the development of budget-friendly clock designs. The excitement among the participants was palpable as they delved into crafting clocks that bore distinctive designs, reflecting their individual ideas and artistic expressions.

The inauguration commenced with a warm welcome speech by Dr. Soumini C., the Women cell coordinator, followed by Dr. K. P. Vinod Kumar, the Principal, who presided over the inaugural session, imparting encouragement and support to the participants. Esteemed personalities

such as Prof. Shajid P. P., the Vice Principal, Prof. K. M. Rukiya, Head of the Department of Chemistry, and Nisab T., IQAC coordinator, graced the occasion and felicitated the function, acknowledging the significance of such skill-oriented initiatives.

The training sessions, fundamental to the success of the workshop, were expertly conducted by Nidha Nasreen, a proficient III year B Voc Optometry student, empowering the attendees with the necessary skills and techniques in clock making.

The event concluded with a heartfelt vote of thanks delivered by Shahma Sherin, a diligent I year MSc Polymer chemistry student, expressing gratitude to all involved for making the workshop a fruitful and enriching experience.

Overall, the Clock Making Workshop was an exemplary platform that fostered creativity, entrepreneurship, and skill development, leaving an indelible mark on the participants and setting a benchmark for future skill-centric initiatives.

1. Hand Embroidery Workshop: Fostering Self-Entrepreneurship

On October 26th, 2023, the Women Cell spearheaded a transformative Hand Embroidery Workshop aimed at instilling a sense of self-entrepreneurship among students at the college. Led by Fathima Marjana, a first-year student from the Department of Optometry, the day-long program attracted participation from approximately 30 enthusiastic students across various academic departments.

The event was graced by the esteemed presence of Dr. K. P. Vinod Kumar, the College Principal, who presided over the function, highlighting the significance of such initiatives in fostering skill development and entrepreneurial spirit among students. Dr. Mohamedali P., the College Management Secretary, inaugurated the program, emphasizing its relevance in nurturing students' talents and encouraging self-reliance.

Dr. C. Soumini, the Women Cell Coordinator, extended a warm welcome, setting the tone for a productive and enriching workshop. Her welcome speech underscored the importance of honing practical skills like hand embroidery, providing students with avenues for potential self-employment opportunities.

The workshop itself was led by Fathima Marjana, whose expertise and guidance helped students explore the intricate art of hand embroidery. Participants engaged in hands-on learning, mastering various stitching techniques and artistic patterns throughout the day. The session not only imparted technical skills but also encouraged creativity and innovation in embroidery designs.

Dr. Janeeshma E., the WEC Assistant Coordinator, delivered a heartfelt vote of thanks, expressing gratitude to all participants for their active involvement and dedication throughout the workshop. Her appreciation extended to the organizers, instructors, and the college administration for their support in making the event a success.

This workshop stood as a testament to the college's commitment to holistic student development by offering platforms for skill enhancement and fostering entrepreneurship. It provided students with a practical skill set while nurturing their creative potential, paving the way for potential avenues of self-employment and artistic expression. The event reinforced the college's dedication to empowering students to become self-reliant and skilled individuals in their future pursuits.

IEDC

[Meet successful entrepreneur series](#)

Season -4 Episode -1

The IEDC Mes Keveeyam college conducted "Meet successful entrepreneur series" on 13th July 2023 at 10 am morning in the Av Hall. The session started with the arrival of chief guest Nida Mehar CT founder of Zeepot. The program began with a welcome speech by IEDC CMO Ashiq. The inauguration was addressed by Vinod sir principal and felicitation delivered by Vice Principal Shajid sir.

Miss, Nida Mehar CEO of Zeepot.

Nida shared her entrepreneurial story and motivated students to make more eco-friendly products to protect the environment. She shared her downfalls and success phases. She told the young entrepreneurs to believe in their own ideas and shared how she turned her childhood dream project Zeepot into reality. Overall, the session was engaging and interesting.

The session ended by a vote of thanks by IEDC We lead Sneha KT. She thanked the chief guest and the students for their presence and support for making the session success

IEDC Report: "Meet Successful Entrepreneur Series" Season 4, Episode
2(21/9/23)

The IEDC of Mes Keveeyam College conducted the "Meet Successful Entrepreneur Series" on August 8, 2023, at 10 in the morning in the AV hall. The session was honored by the presence of the chief guest, Mubaris, MD of Lifeplus Psychological Services and Eduplus Science Academy, an alumnus, and one of our execom members.

The program commenced with a welcome speech by IEDC member Asna. The inauguration was addressed by Shameem Sir, the self-financing course coordinator, and felicitation was delivered by Mr. Ramseena Mam, Assistant Nodal Officer. Mubaris shared his setbacks and success phases, expressing his desire to uplift children who, like him, faced rejection in society.

Overall, the session was engaging and interesting, concluding with a vote of thanks from IEDC member Rinshida. She expressed gratitude to the chief guest and students for their presence and support, contributing to the success of the session.

A total of 45 students participated in the talk session. The session was highly engaging and students had the opportunity to learn from Mr. CK's vast experience in the startup world.

MEET SUCCESSFUL ENTREPRENEURS

Meet Successful Entrepreneurs – Rabeeha Abduraheem The Successful Entrepreneur Meet, named Web of Words, served as the inaugural program of the Innoverse event organized by the Entrepreneurship Development (ED) Club of MES Keveeyam College. It proved to be a significant and enlightening experience. The event, conducted by Rabeeha Abduraheem, unfolded from 10:00 am to 12:30 pm on December 5th, 2023.

The program commenced with a warm welcome from Niya CSO, followed by Dr. Vinod Kumar, the Principal of MES Keveeyam College Valanchery, delivering a presidential address emphasizing the importance of innovation in education. Dr. Mohammedali, the Secretary of MES Keveeyam College, inaugurated the event, and Santhosh Babu, Head of the Commerce Department, provided felicitations. The content of the meet, "From Naming to

Marketing," was insightful, with Rabeeha Abduraheem guiding participants through the intricacies of content creation and promotional strategies.

The overall success of the event was acknowledged by Fathima Hiba, a wing member, who delivered the vote of thanks. The meet concluded on a high note with an engaging photo session. The event played a crucial role in fostering a culture of innovation and skill development among the students, setting a positive tone for the subsequent activities of the Innoverse event.

WE TALK – Season 1 Episode 2

WeTalk Season 1 Episode 2, a talk session organized by WING under IEDC at MES Keveeyam College, took place on January 11, 2024, in the AV Hall from 10:00 am to 12:00 pm. The event featured Jenna Nasnin, a distinguished guest speaker and the CEO of Gozotrips, as well as a co-founder of WAAHI and ITTARA.

Jenna Nasnin brought a wealth of experience and insights to the audience, sharing her journey as an entrepreneur and shedding light on the intricacies of founding and managing successful ventures. Her engaging talk inspired students and faculty alike, emphasizing the importance of perseverance, innovation, and collaboration in the business world.

The AV Hall buzzed with intellectual energy as attendees actively participated in the Q&A session that followed Jenna Nasnin's talk. The event not only provided valuable knowledge but also served as a platform for networking and fostering connections between students and an accomplished industry professional.

We Talk Season 1 Episode 2, with its distinguished speaker and dynamic audience interaction, was a resounding success. The commitment of WING under IEDC to organizing such insightful sessions enhances the educational experience at MES Keveeyam College, empowering students with real-world insights and encouraging an entrepreneurial spirit among the community.

WE TALK – Season 1 Episode 3

On February 20th, the AV Hall of MES KEVEEYAM VALACHERY COLLEGE hosted the eagerly anticipated "WE TALK Season 1 Episode 3" event, organized by the Innovation and Entrepreneurship Development Cell (IEDC), Entrepreneurship Development (ED), and WING of MES KVM. Running from 10:30 am to 12:00 pm, the program aimed to inspire and guide young entrepreneurs in executing their innovative ideas and showcasing their skills. Miss Anciya KA, the esteemed Founder and CEO of UMMEES NATURALS Ayurveda Cosmetics, graced the event as the main speaker, bringing with her a wealth of expertise and insights into the entrepreneurial landscape.

We **TALK** *
SEASON 1 - EPISODE 3

WING **IEDC**
Women Innovators Network Group. MES KVM COLLEGE

Muhammed Salah, CEO of IEDC MES KVM, opened the event with a warm welcome, setting a positive and inviting atmosphere for all attendees. Throughout the session, Miss Anciya KA captivated the audience with her engaging discourse, offering invaluable advice and encouragement to budding entrepreneurs. Attendees were given the opportunity to interact with the speaker during a lively questionnaire session towards the end of the program, fostering deeper engagement and understanding of the topics discussed

Post-event, students eagerly shared their feedback, expressing gratitude for the enlightening and informative discussions that took place. Their feedback underscored the program's success in meeting its objectives of motivating and empowering young entrepreneurs. Finally, Miss Rana Rahman, a Wing member of IEDC MES KVM, delivered a heartfelt vote of thanks, extending appreciation to all participants and bringing the event to a close on a note of positivity and inspiration.

MEET SUCCESSFUL ENTREPRENEURS SERIES

SEASON 5 EPISODE 1

On March 21, 2024, the AV Hall of MES KVM College in Valanchery hosted the "Meet Successful Entrepreneurs Series" Season 4 Episode 3. Inaugurated by Mr. Shajid PP, the Vice Principal of MES KVM College Valanchery, the event featured Mohammed Mustafa, Managing Director and Co- founder of Silvan Business Group, renowned for his entrepreneurial prowess. Organized by the Innovation and Entrepreneurship Development Cell (IEDC), the event drew nearly a hundred students eager to gain insights into Mustafa's journey.

The poster is for the "Meet Successful Entrepreneurs Series" Season 5 Episode 1. It features a central image of Mohammed Mustafa, Managing Director and Co-Founder of Silvan Business Group, speaking into a microphone. The background is a light grey with a subtle geometric pattern. At the top, there are logos for the ED Club, Innovation and Entrepreneurship Development Centre, Institutions' Innovation Council, IPL, WING, and IEDC MES KVM College. The title "MEET SUCCESSFUL ENTREPRENEURS Series" is prominently displayed in the upper left, with "Series" in a script font. Below the title, it says "SEASON - 5 | EPISODE 1". The event details are listed: "21 March 2024", "10am - 12:00pm", and "AV Hall". A "Register Here!" button with the link "bit.ly/iedc_talksession_s5e1" is provided. At the bottom left, there are social media icons and the website "iedcmeskvmm | iedc.meskeveeyamcollege.ac.in". The speaker's name and title are at the bottom right of the central image.

MOHAMMED MUSTAFA
(Managing Director & Co Founder
of Silvan Business Group)

iedcmeskvmm | iedc.meskeveeyamcollege.ac.in

During the session from 10:00 AM to 12:00 PM, Mustafa's motivational speech resonated deeply with the audience. He shared the trials and triumphs that shaped his entrepreneurial journey, emphasizing resilience, innovation, and strategic thinking. Students actively participated, inspired by Mustafa's

narrative of transformation from "zero to hero." His story left a lasting impression, igniting ambition among listeners and showcasing the power of entrepreneurship.

Following Mustafa's presentation, a feedback session provided students with the opportunity to share their wonderful experiences. Their enthusiastic responses further underscored the impact of the event and the inspiration drawn from Mustafa's insights. The event, a resounding success, highlighted the transformative potential of entrepreneurship. Mustafa's insights instilled a renewed sense of purpose and determination in attendees, who departed with inspiration to embrace innovation, resilience, and strategic thinking in their entrepreneurial endeavors.
