CAREER GUIDANCE CLASS ON FUTURE OF AI AND ROBOTICS

On 6th December 2024, and Department of Computer Application, conducted a talk session on AI and the future of robotics at AV Hall, starting at 1:30 pm. The program was welcomed by Department HOD, Jasna KV, who spoke about AI and robotics in today's world. The presidential address was delivered by the Chemistry Department HOD, Prof. Rukkiya M. Dr. Mohammed Ali P, the Management Secretary, inaugurated the program and robotic club, expressing his wishes for the club's success. IQAC Coordinator Nisb T and IEDC Coordinator Sinija carried out the felicitation. IEDC CEO Muhammed Salah, final year BCA student extended the vote of thanks. The resource person for the program was Nandhakishor M from Convai Innovations, who provided detailed insights into the topic. Students gained a lot of interesting information during the session, and a practical demo of AI techniques was showcased, which proved to be a captivating part of the session for the students. Towards the end, there was a question-answer session, and students' doubts were cleared. The program received positive feedback from the students.

In the future, AI and robotics will create many job opportunities. These technologies are getting more advanced and are used in various industries like healthcare, transportation, and manufacturing. Jobs like AI programmers, robotics engineers, and data analysts will be in high demand. People who learn about AI and robotics will have good chances of finding exciting careers in these fields. As part of this session, a resource person also discussed careers in the AI and robotics field. AI and robotics are advancing areas of research in today's world, offering a wide variety of job opportunities. The resource person explained the steps and courses that can help students build a successful career in this field. His words encouraged students, sparking their interest in these fields.

PERSONAL GROWTH AND PROFESSIONAL DEVELOPMENT

A personal growth and professional development program was organized by career guidance and University Employment Information and guidance Bureau on August 18 2023 for the students of the Department of Computer Application. And also discussed about the various short term courses offered by various universities and job opportunities. The program was lead by Abdurahiman karuthedath, Assistant professor from Malabar college of advanced studies,vengara. The program was inaugurated by Principal Mr.Vinod kumar. 26 students actively participated in the program. The talk was highly motivating and useful for majority of students.

Topic: Connect Career to Campus- DWMS Orientation

Date: 11/3/2024

The DWMS Orientation event, themed "Connect Career to Campus," held on March 11, 2024, was a collaborative effort between the ASAP Cell, Career Guidance Cell of the college, and the Kerala Knowledge Economy Vision. The event aimed to bridge the gap between academia and industry, preparing students for the transition from campus to career.

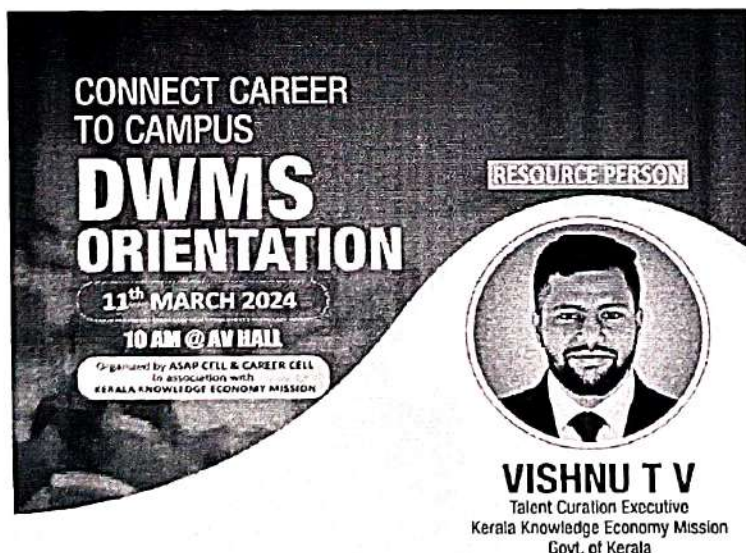

Keynote speaker Vishnu T V, Talent Curation Executive from the Kerala Knowledge Economy Mission, enlightened attendees on the evolving landscape of career opportunities in Kerala's knowledge economy. His insights provided valuable guidance on aligning academic pursuits with industry demands, enhancing employability prospects for students.

Dr. Reji A L, ASAP Coordinator, extended a warm welcome to all participants, emphasizing the significance of initiatives like DWMS Orientation in fostering holistic student development.

The event was inaugurated by Dr. Vinod Kumar K P, Principal of the college, underscoring the institution's commitment to nurturing talent and facilitating seamless transitions from education to employment.

Overall, the DWMS Orientation served as a platform for students to gain invaluable insights, network with industry experts, and chart their career pathways effectively, ensuring a successful integration of career aspirations with academic pursuits.

Brochure:

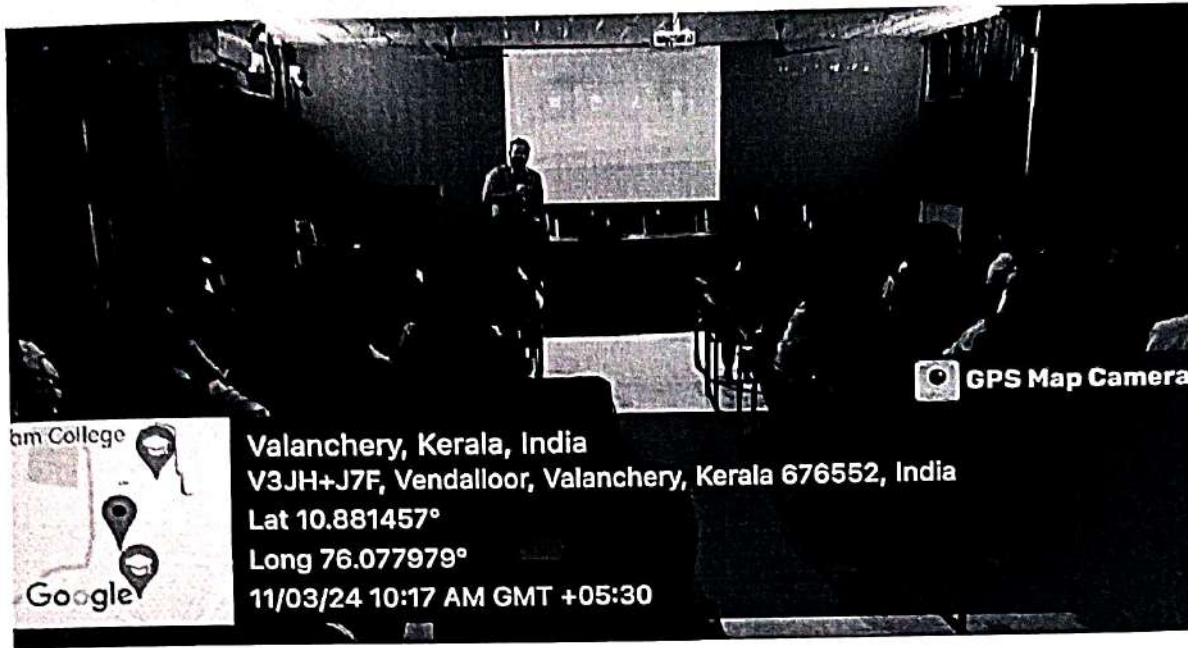

The brochure is for the "CONNECT CAREER TO CAMPUS DWMS ORIENTATION" event. It features a dark background with a circular portrait of Vishnu T V, Talent Curation Executive at the Kerala Knowledge Economy Mission. The text on the brochure includes: "CONNECT CAREER TO CAMPUS", "DWMS ORIENTATION", "11th MARCH 2024", "10 AM @ AV HALL", "Organized by ASAP CELL & CAREER CELL in association with KERALA KNOWLEDGE ECONOMY MISSION", "RESOURCE PERSON", "VISHNU T V", "Talent Curation Executive", "Kerala Knowledge Economy Mission", "Govt. of Kerala".

On August 21, 2023, a transformative session unfolded within our academic precincts, shedding light on the journey towards Central and State Universities. Mohammed Fayiz, an esteemed mentor from InSeQt, graced the occasion with his invaluable insights and guidance, illuminating the path for aspiring scholars. With an air of anticipation permeating the gathering, Mohammed Fayiz took the podium, infusing the room with a sense of purpose and direction. Drawing from his wealth of experience, he delineated the intricate steps involved in navigating the labyrinthine process of university admissions, particularly to prestigious Central and State Universities. As his words reverberated through the hall, attendees found themselves emboldened by the clarity and pragmatism of his guidance. Mohammed Fayiz's discourse served as a beacon of hope for those harboring dreams of higher education, offering practical strategies and motivational anecdotes to fuel their aspirations. In a poignant moment of reflection, Hiba Sherem, a third-year BA English student, stepped forward to express gratitude on behalf of the gathering. In essence,

the session on "Paving the Way to Central and State Universities" served as a rallying cry for academic excellence and personal growth. It underscored the importance of mentorship, resilience, and community support in realizing one's educational aspirations.

Programme:15 National Science Day

Resource Person: 1. Dr. Vijesh A. M

28/02/2024

The research and P.G department of chemistry celebrated National Science Day on 28th Feb 2024 at our college. As the programme was started at 11.00 a.m. We started the celebrations after the national anthem. Principal Dr. Vinod K V presided over the event. In this event our chief guest Dr. Vijesh A. M gave a speech on science day "*Tailoring of Membrane Materials for Sustainable water*". He had been the president of free thinker's science forum. In the session he widely describes about the different segments of science. Our H.O.D Prof. Rukkiya K. M gave a wonderful talk on science day. This included why we celebrated science day and its importance. The objective of this programme to build scientific tempering and future vision also.

Date : 09/08/2023

Location : AV Hall

A Campus Drive & Interactive session & Campus Recruitment programme organized by the placement cell & Department of Optometry & Ophthalmological Techniques on 09/08/2023. Aimed to bridge the gap between the academia and industry by providing the students with opportunities to interact with potential employers. The event sought to connect students with job opening, internships & other carrier prospectus. The three officials from LensKart – HR manager Erry Philip Annath, Area operation manager Shareef, and Cluster Optometrist Hasir were handle the same.

Date : 09/16/2023

The first session was interactive session started @11.30 joined all year students. The interview session started @ 12.30 as three sessions. The third & final interview by HR Jerin Philip Annath. Total 21 students joined. 9 students have got the selection list. 4 students eady to join in their allotted areas.

The programme was inaugurated by Prof : Nisab, Bvoc Nodal Officer, Welcome Speech by Sabitha, HoD, Assit. Professor, Department of Optometry & ophthalmological Techniques, Felicitation given by Fathima Nidha, Assit. Professor, Department of optometry, ophthalmological techniques and Vote of thanks delivered by Lubna Sherin 2nd yr. Bvoc Optometry & the programme successfully culminated with the memento distribution by Prof: Shajid, Vice Principal.

1. CAREER GUIDANCE FOR FINAL YEAR

Date: 18/8/2023

No. of participants: 40

Under aegis of the Career Guidance and Placement Cell of the college a career guidance class was conducted for final year students. The class was guided by Abdurahman Karuthedath, Asst Professor of MALABAR COLLEGE OF ADVANCED STUDIES, Vengara. Throughout the session the students were informed about the courses and job opportunities that are available after the degree. He had also discussed about the various entrance examinations for different Universities in which students can enroll for their future studies. Each student was perfectly analyzed for understanding their passion. The students were given the opportunity to clear their doubts about their courses and its possibilities. In the end of the interactive session the students were given an aptitude test which measured the potential of each and every student through a simple point-based test. The point obtained eventually indicated what kind of career is suitable for an individual. This really helped every student to evaluate his/her potential. The session was really helpful for identifying the career potential and the opportunities in front after degree.

Report of the Programme

On February 26, 2024, an insightful Career Guidance Talk was conducted at the AV Hall, with Dr. Drishya, an esteemed Assistant Professor from the Department of Physics at the University of Calicut, as the resource person. The session aimed to provide guidance on career opportunities after MSc and BSc in Physics, as well as information on competitive exams in the field.

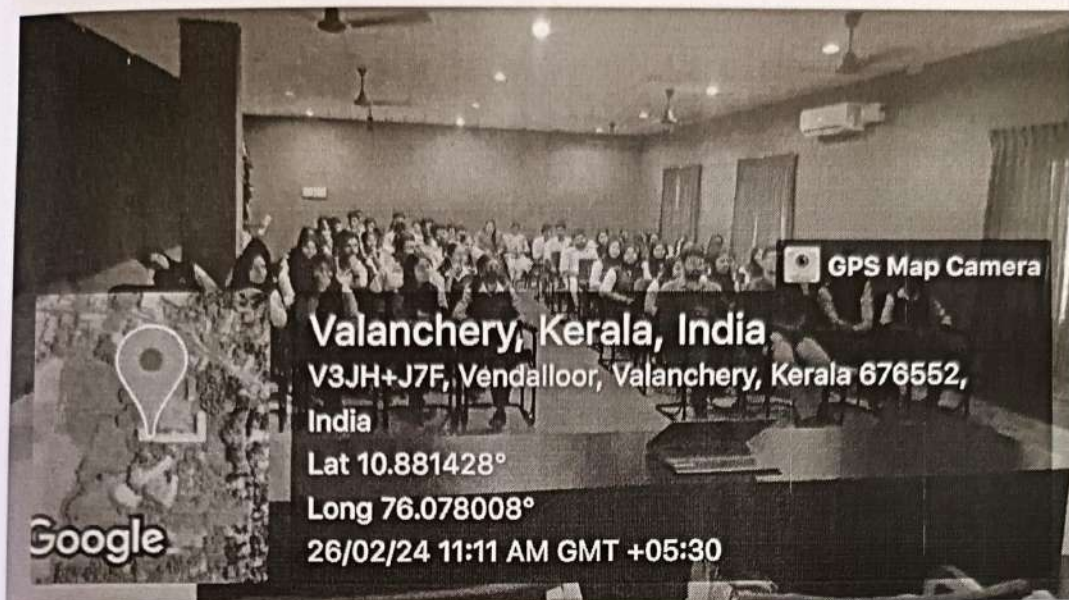

The programme commenced with a warm welcome note delivered by Mr. Majeesh M, Head of the Department of Physics. Prof. Vinod Kumar K P, the Principal, delivered the Presidential Address, underscoring the importance of career guidance initiatives in empowering students to make informed decisions about their future endeavors.

Dr. Drishya elaborated on the diverse career paths available to students after completing their MSc and BSc in Physics. She provided insights into various sectors such as academia,

research institutions, government organizations, and industries where physicists are in demand. The resource person provided detailed information about competitive exams relevant to physics graduates, including national-level exams such as UGC NET, CSIR NET, GATE, and state-level exams for recruitment in government organizations. She emphasized the significance of these exams in advancing one's career in the field of physics. Dr. Drishya shared effective preparation strategies and tips for cracking competitive exams after physics MSc and BSc. She emphasized the importance of a systematic study plan, regular practice, and thorough understanding of fundamental concepts.

The session concluded with a vote of thanks delivered by Ahamed Jahan, expressing gratitude to Dr. Drishya for her valuable insights and guidance. He also thanked Mr. Majeesh M for the warm welcome and Prof. Vinod Kumar K P for his inspiring Presidential Address. Additionally, he extended appreciation to all participants for their active participation and engagement.

Report of the Programme

On 21/02/2024, the Department of Physics at MES KeVeeYam college, hosted a highly informative talk by Dr. Antony, a distinguished Professor, University of Calicut on potential career paths after completing MSc in Physics. The session primarily focused on shedding light on opportunities through UGC CSIR NET examinations and the pursuit of academic positions. Dr. Antony's extensive experience and expertise provided invaluable guidance to students aspiring to carve out successful careers in the field of physics.

Mr. Majeesh M extended a warm welcome to all attendees, setting a congenial atmosphere for the enlightening session ahead. His welcoming remarks encouraged active participation and engagement from the audience. Dr. Vinod Kumar KP, the Principal of MES KeVeeYam college, inaugurated the program, underscoring the importance of career guidance initiatives in nurturing and empowering students. His inaugural address

highlighted the institutes commitment to supporting students in their academic and professional endeavors.

Dr. Antony provided detailed insights into the UGC CSIR NET examination, elucidating its significance as a gateway to prestigious research fellowships and teaching positions in academia. He outlined the eligibility criteria, syllabus, and preparation strategies to help students navigate the examination successfully. The speaker emphasized the rewarding opportunities available in academia for MSc Physics graduates. Dr. Antony highlighted the various academic positions, including lecturer, assistant professor, and professor, and outlined the qualifications and skills required to excel in these roles. Dr. Antony also discussed the importance of research in shaping a successful career after MSc in Physics. He underscored the significance of pursuing research projects, publishing papers, and engaging in collaborative initiatives to enhance one's credentials and contribute to the advancement of knowledge in the field.

Ms. Arathi R Nair delivered a heartfelt vote of thanks, expressing gratitude to Dr. Antony for his enlightening talk and invaluable guidance. She also extended appreciation to Mr. Majeesh M for the warm welcome and Dr. Vinod Kumar KP for inaugurating the program. Ms. Arathi R Nair thanked the attendees for their enthusiastic participation, making the event a memorable and enriching experience for all.

Report of the Programme

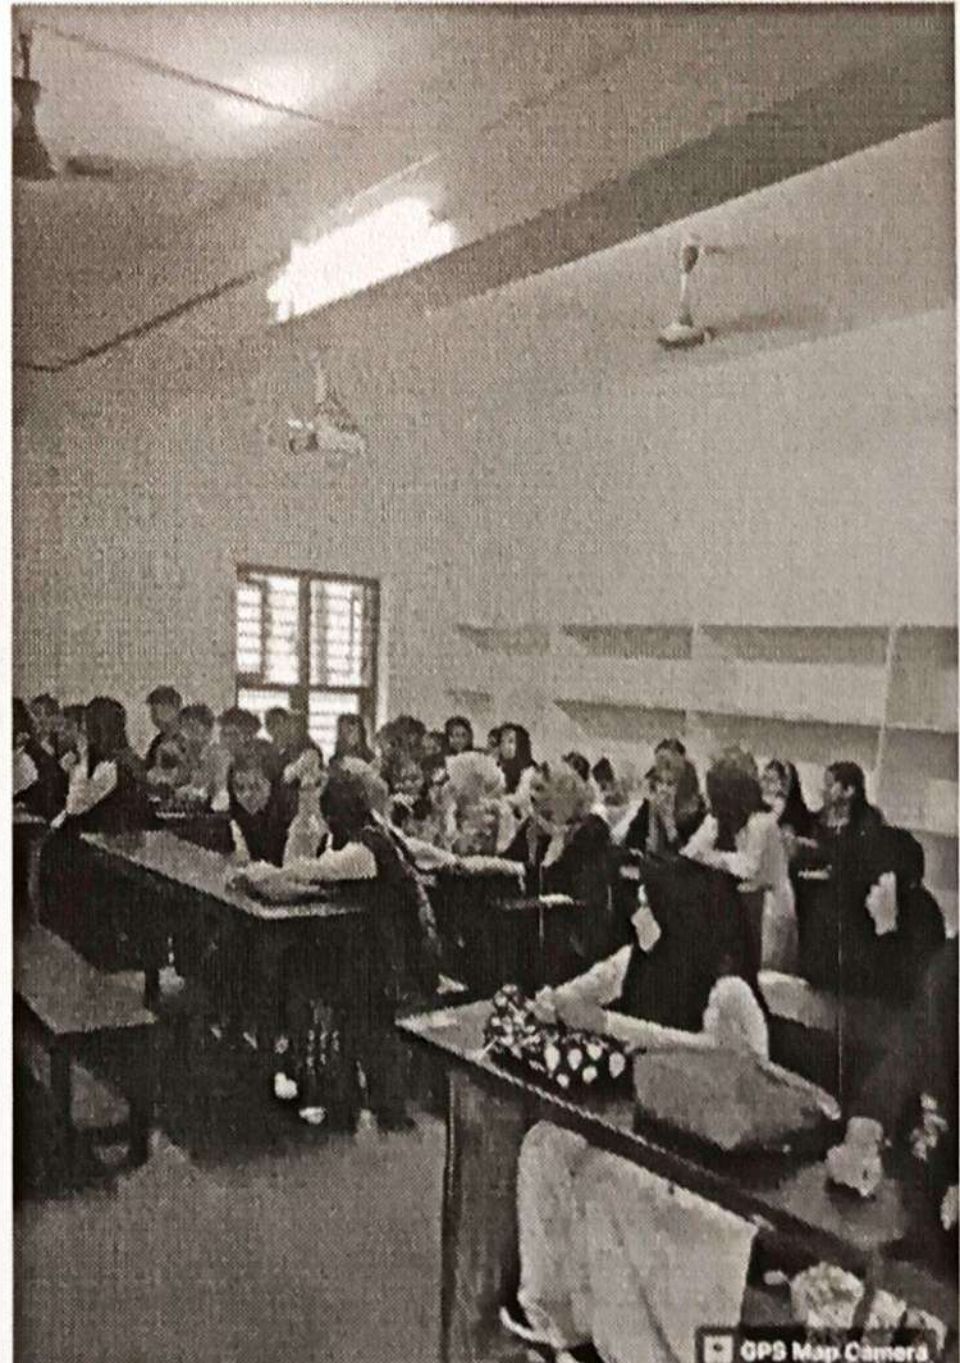

Mr. Majeesh M warmly welcomed attendees to the insightful session on careers in physics by Dr. Navas MP. His words set a tone of anticipation and eagerness among the audience, fostering an atmosphere of engagement and receptiveness. Mr. Mohammed Shibu, in his inaugural address, emphasized the importance of exploring career opportunities in physics. Dr. Navas MP, an esteemed Assistant Professor at MES KeVeeYam College, Valanchery, delivered a captivating talk on the diverse career paths available in physics. Drawing from his own experiences and expertise, he provided invaluable insights into the wide-ranging opportunities awaiting aspiring physicists. Dr. Navas MP shed light on the vast scope of careers in physics, ranging from academia and research to industries. He highlighted the versatility of a physics degree and its applicability across various sectors. The speaker elaborated on the academic pathways available to physics enthusiasts, including pursuing higher education through prestigious institutions and engaging in cutting-edge research.
